|---|---|---|---|---|
| FPDUP | **Forcepoint Dynamic User Protection** | £41.65 | £43.12 | £49.00 |

### Forcepoint Behavioral Analytics

| Part Number | Description | Gcloud Price-3yr | Gcloud Price-1yr | List Price |
|---|---|---|---|---|
| UEBASTDX | Forcepoint Behavioral Analytics - Standard | £42.99 | £44.51 | £50.58 |

### Forcepoint Dynamic Data Protection

| Part Number | Description | | Gcloud Price-3yr | Gcloud Price-1yr | List Price |
|---|---|---|---|---|---|
| DDPS | **Forcepoint Dynamic Data Protection - Suite** | *DDPS is a bundle, which includes DLPSIP (DLP Suite) and UEBASTDX (focused FBA)* | £42.33 | £43.83 | £49.80 |
| DDPT | **Forcepoint Dynamic Data Protection - Endpoint** | *DDPT is a bundle, which includes DLPEIP (DLP Endpoint) and UEBASTDX (focused FBA)* | £21.85 | £22.62 | £25.71 |
| DDPXUEBA | Forcepoint Dynamic Data Protection Add-on | | £12.97 | £13.43 | £15.26 |

### Forcepoint Advanced Malware Detection (AMD) On-Premises

| Part Number | Description | Gcloud Price-3yr | Gcloud Price-1yr | List Price |
|---|---|---|---|---|
| AMDOPSWMX | Forcepoint Advanced Malware Detection - On-Premises - Manager Software Subscription | £15,810.00 | £16,368.00 | £18,600.00 |
| AMDOPSWEX | Forcepoint Advanced Malware Detection - On-Premises - Engine Software Subscription | £21,080.00 | £21,824.00 | £24,800.00 |
| AMDOPMSLX | Forcepoint Advanced Malware Detection - On-Premises - Engine Server Microsoft Licenses | £5,525.00 | £5,720.00 | £6,500.00 |

### Support

| Part Number | Description | | | List Price | | |
|---|---|---|---|---|---|---|
| ESESPT | Essential Support | | | 15% of Product List Price | | |
| ENHSPT | Enhanced Support | 21% of Product List Price | £20,082.61 | | | Minimum Per Year |
| ENTSPT | Enterprise Support | 28% of Product List Price | £60,247.84 | | | Minimum Per Year |

All of the Products above are priced by User, with the exception of Forcepoint Web Security Mobile, Forcepoint DLP Endpoint and Forcepoint Insider Threat Endpoint, which are priced by Device.   Forcepoint Advanced Malware Detection On-Premises is priced by the number of deployed servers.

**User Counts**
User counts for all modules and their core product must match, with the exception of Forcepoint Web Security Mobile, Remote Filter Client and Forcepoint Email Security Encryption Module. They may have fewer users or seats than their core product, but not more.

**Volume Discount**
Volume discount replaces Forcepoint's previous method of having individual list prices for each user band.  Instead, Forcepoint now has a single list price for each core product and a built in volume discount depending on the volume/number of users.

**Core Products**
Core Products include: Forcepoint URL Filtering, Forcepoint Web Security, Forcepoint Email Security, Forcepoint DLP Network, Forcepoint DLP Discover, Forcepoint DLP Cloud Applications, Forcepoint DLP Suite, Forcepoint DLP Endpoint, Forcepoint CASB, Forcepoint Behavioral Analytics (FBA) and Forcepoint Dynamic Data Protection (DDPT).

**Cloud Web Extended Reporting History**
Cloud Web Extended Reporting History 6 months, 12 months, and 18 months, requires a Cloud deployment when added to Forcepoint Web Security.

**Forcepoint Web Security DLP Module**

Forcepoint Web Security DLP Module requires either an On-Premises or Hybrid Deployment when added to Forcepoint Web Security.

**Advanced Malware Detection Cloud - Web**

Advanced Malware Detection Cloud - Web can be purchased with any deployment option: On-Premises, Hybrid, or Cloud when added to Forcepoint Web Security.

**Forcepoint Web Security Mobile**

Forcepoint Web Security Mobile requires either a Cloud deployment or a Hybrid deployment  when added to Forcepoint Web Security.

**Forcepoint Web Security Cloud App Control**

Forcepoint Web Security Cloud App Control is now available for On-premise, Hybrid and Cloud deployment types all with a choice of US or EMEA locations for CASB data storage.

**Forcepoint Web Security Cloud App Control (CASB Security Suite Upgrade)**

Customers can upgrade from Web Security Cloud App Control to CASB Security Suite via the Web Security Cloud App Control Upgrade SKU.

**Cloud Email Extended Reporting History**

Cloud Email Extended Reporting History 6 months, 12 months, and 18 months requires a Cloud deployment when added to Forcepoint Email Security.

**Advanced Malware Detection Cloud - Email**

Advanced Malware Detection Cloud - Email can be purchased with any deployment option: On-Premises, Hybrid, or Cloud when added to Forcepoint Email Security.

**Forcepoint Email Security Encryption Module**

Forcepoint Email Security Encryption Module requires either a Cloud deployment or Hybrid deployment when added to Forcepoint Email Security.

**Forcepoint Email Security Image Analysis Module**

Subscriptions to Image Analysis Module can be purchased with Forcepoint Email Security only.

Forcepoint Email Security Image Analysis Module requires either a Cloud deployment or a Hybrid deployment when added to Forcepoint Email Security.

**Forcepoint CASB - Single Application**

Forcepoint CASB - Single Application has a mandatory seat volume of 501 seats. For example, a customer with 300 employees will require 501 licenses.

**Forcepoint CASB Extension Packs**

CASB core licenses embed a limit on the number of supported cloud applications:

Forcepoint CASB - Security Suite - supports a total of 15 applications regerdless of the mix of Governance and Cloud protection

Forcepoint CASB - Cloud Governance -  supports 1 Governance Application (API, Offline)

Forcepoint CASB - Cloud Protection - support 15 Cloud Protection Applications (Gateway, Inline)

Extending this number is optional and done by purchasing Cloud Extension Packs, each adding support for a single cloud application

Cloud Governance Extension Pack - Can only be purchased with Forcepoint CASB - Cloud Governance, and Forcepoint CASB - Security Suite.

Cloud Protection Extension Pack - Can only be purchased with Forcepoint CASB - Cloud Protection, and Forcepoint CASB - Security Suite.

Forcepoint CASB - Custom Application - Can only be purchased with Forcepoint CASB - Cloud Protection, and Forcepoint CASB - Security Suite.

**Forcepoint CASB Implementation Packages**

Forcepoint CASB products require at least one of the below CASB Implementation Packages included as part of the Implementation Packages section of the Price Book:

Forcepoint CASB Implementation - Basic

Forcepoint CASB Implementation - Intermediate

Forcepoint CASB Implementation - Advanced

Forcepoint CASB Custom Professional Services

**Forcepoint DLP Cloud Applications**

Forcepoint DLP Cloud Applications (IP Protection), Forcepoint DLP Cloud Applications (IP Protection Upgrade), and Forcepoint DLP Cloud Applications (Compliance) have a mandatory seat volume of 501 seats. . For example, a customer with 300 employees will require 501 licenses.

**Forcepoint DLP Suite**

Suite license includes DLP Endpoint, DLP Network and DLP Discovery for both IP Protection and Compliance offering.  Does not include DLP Cloud Applications.

**Forcepoint DLP IP Protection and Compliance License**

IP Protection and Compliance licenses cannot be mixed within the same DLP Deployment.  Customers should be quoted all IP Protection SKUs or all Compliance SKUs.  Customers can upgrade from Compliance license to IP Protection license via the IP Protection Upgrade SKUs.

**Forcepoint Insider Threat**

Geographical restrictions apply to Forcepoint Insider Threat (FIT). FIT offerings may only be sold into certain Forcepoint approved countries. Please contact a Forcepoint Representative prior to quoting FIT offerings.

**Forcepoint Dynamic Data Protection**

Forcepoint DLP Suite - IP Protection (Dynamic Data Protection Upgrade) is only available to existing Forcepoint DLP Suite - IP Protection customers and cannot be mixed with DLP Complinace licenses.

Forcepoint DLP Endpoint - IP Protection (Dynamic Data Protection Upgrade) is only available to existing Forcepoint DLP Endpoint - IP Protection customers and cannot be mixed with DLP Compliance licenses.

Forcepoint Dynamic Data Protection Upgrade adds the behavior analytics module on to existing DLP Endpoint - IP Protection or DLP Suite - IP Protection to provide the complete Dynamic Data Protection Solution.

Forcepoint Dynamic Data Protection Upgrade is only sold as a subscription add-on and can only be purchased by customers with either DLPEIP or DLPSIP licenses.

Forcepoint Dynamic Data Protection Upgrade adds the behavior analytics module on to existing DLP Endpoint - IP Protection or DLP Suite - IP Protection to provide the complete Dynamic Data Protection Solution.

**Forcepoint Advanced Malware Detection on-Premises**

Geographical restrictions apply to Forcepoint Data Guard.  Forcepoint Data Guard offerings may only be sold into certain Forcepoint approved countries.  Please contact a Forcepoint Representative prior to quoting Forcepoint Data Guard offerings.

**Forcepoint Advanced Malware Detection on-Premises**

Forcepoint Advanced Malware Detection on-Prem can be used with Forcepoint Email Security On-Prem/Hybird, Forcepoint Web Security On-Prem/Hybrid and Forcepoint NGFW appliances (see Network Security section)

**Boldon James Classifier Enterprise Suite**

To purchase Boldon James Clasifier Enterprise Suite, a valid DLP (subscription or perpetual); Dynamic Data Protection (subscription); or CASB license (subscription) is required.

**Multi-Year Contracts**

Multi-year, pay up-front agreements receive a 5% discount for 2 year contracts and a 10% discount for contracts 3 years or longer.

Annual pay contracts with locked in prices are available with a multi-year commitment.

**Support**

Modules and product add-ons must have the same level of support as their core product.

With the exception of Forcepoint Insider Threat (FIT), Forcepoint Behavioral Analytics (UEBA) and Forcepoint Dynamic Data Protection products, a minimum of Essential Support is required for every product, regardless of user count.

Forcepoint Insider Threat products require Enterprise Support.

Forcepoint Behavioral Analytics (UEBA) products require either Enterprise Support or a Resident Technical Account Manager.

Essential Support, Enhanced Support, and Enterprise Support are not included with any subscription or perpetual license. Must be purchased as a separate SKU.

**Renewals**

Same List Prices as above.

**Note:**

Amounts displayed are suggested end-user prices. The entity that sells the Forcepoint offering to the end-user (e.g. Reseller) is responsible for applying appropriate discount to determine prices.  Prices subject to change at any time.

This Price List excludes any VAT, GST, Sales or similar Tax "Sales Tax".  Sales Tax will be added to the invoice, at the time of invoice, at the then prevailing rate, in accordance with the local law requirements of the Forcepoint invoicing entity, in the absence of receipt of current certificate of exemption from Sales Tax.

The above pricing covers all versions and part numbers for the stated product unless otherwise specified.

**Forcepoint Advanced Malware Detection Servers**

Forcepoint Advanced Malware Detection Servers can only be purchased in conjunction with Advanced Malware Detection On-Premises software.

**Warranties**

Forcepoint (60 month) extended warranties and 4 Hour Upgrades can only be purchased at the Point of Sale of the Appliance. 12 month Extended Warranties are not required at Point of Sale of the Appliance.

The Forcepoint 12 month Extended Hardware Warranties are a 12 month renewal of the Forcepoint Warranty purchased at the Point of Sale of the appliance, and can only be purchased in 12 month increments.

Forcepoint i500 Appliance Warranty NBD (36 months),  Forcepoint V5000 Appliance Warranty NBD (36 months), Forcepoint V10000 Appliance Warranty 4 Hr. Onsite (36 months), Forcepoint X10G Security Blade NBD Warranty (36 months), Forcepoint X10G Blade Chassis Warranty NBD (36 months), Forcepoint Insider Threat Appliance NBD Warranties (36 months), Forcepoint Insider Threat Storage Array NBD Warranties (36 months), Forcepoint Advanced Malware Detection - On-Premises - Manager Server Warranty NBD (36 months), and Forcepoint Advanced Malware Detection - On-Premises - Engine Server Warranty NBD (36 months) are Free of Charge for 36 months and are required on every I-Series, V-Series, X10G order, Advanced Malware Detection - On-Premises - Manager Server order, and Advanced Malware Detection - On-Premises - Engine Server order.

In order to receive the 5 year 4 Hour Onsite Warranty for the V5000 Appliances, both the Upgrade 36 months from NBD to 4 Hour Onsite and the Upgrade 4 Hour Onsite from 36 months to 60 months warranties must be purchased.

Forcepoint V10000 Appliance Extended Hardware Warranty is a 12 month renewal of the Forcepoint V10000 Warranty and can only be purchased in 12 month increments.

**i500 Virtual Appliance with Bypass Card**

The Silicom NIC card for the i500 virtual appliance when purchased as an additional hardware to the virtual image would have a warranty coverage of 3 years. The card is included in the appliance and is

**Support**

Forcepoint V10000 G4 Appliances come standard with 4 Hour Support for 36 months.

**Shipping**

Forcepoint i500 Virtual Appliance and Forcepoint i500 Virtual Appliance with Bypass Card are available through MyAccount (formerly MyWebsense) and do not require Shipping and Handling.

Shipping is non-discountable and is required on every Appliance order.  Shipping is per Appliance Shipped and no longer required to be purchased as a separate SKU.  Shipping will be automatically added to

**Note:**

Amounts displayed are suggested end-user prices. The entity that sells the Forcepoint offering to the end-user (e.g. Reseller) is responsible for applying appropriate discount to determine prices.  Prices subject to change at any time.

This Price List excludes any VAT, GST, Sales or similar Tax "Sales Tax".  Sales Tax will be added to the invoice, at the time of invoice, at the then prevailing rate, in accordance with the local law requirements of the Forcepoint invoicing entity, in the absence of receipt of current certificate of exemption from Sales Tax.

Geographical restrictions apply to Forcepoint Data Guard. Forcepoint Data Guard offerings may only be sold into certain Forcepoint approved countries. Please contact a Forcepoint Representative prior to quoting Forcepoint Data Guard offerings.

**Support**
Modules and product add-ons must have the same level of support as their core product.
With the exception of Forcepoint Insider Threat (FIT), Forcepoint Behavioral Analytics (UEBA) and Forcepoint Dynamic Data Protection products, a minimum of Essential Support is required for every product, regardless of user count. Essential Support, Enhanced Support, and Enterprise Support are not included with any subscription or perpetual license. Must be purchased as a separate SKU.

**Renewals**
Same List Prices as above.

**Note:**
Amounts displayed are suggested end-user prices. The entity that sells the Forcepoint offering to the end-user (e.g. Reseller) is responsible for applying appropriate discount to determine prices. Prices subject to change at any time. This Price List excludes any VAT, GST, Sales or similar Tax "Sales Tax". Sales Tax will be added to the invoice, at the time of invoice, at the then prevailing rate, in accordance with the local law requirements of the Forcepoint invoicing entity, in the absence of receipt of current certificate of exemption from Sales Tax.

All of the Light-User Products above are priced by User.

**User Counts**
User counts for all modules and their core product must match, with the exception of Forcepoint Remote Filter Client and Forcepoint Email Security Encryption Module. They may have fewer users or seats than their core product, but not more.

**Light Users**
All "Light User" subscriptions may only be used for students, temporary/seasonal workers, guest Wi-Fi users, retail workers, and manufacturing line workers for whom having access to the Internet and/or email is not: (1) in any way a component of their work function, or (2) to exceed 5% of any eight (8) hour day.

**Web Light User Modules**
Forcepoint Web Security DLP Module and Forcepoint Web Security Mobile may be added to Forcepoint Web Security Light User. Please refer to the list pricing details on the Subscription Products page.

**Email Light User Modules**
Forcepoint Email Security Encryption Module and Forcepoint Email Security Image Analysis Module may be added to Forcepoint Email Security Light User. Please refer to the list pricing details on the Subscription Products page.

**Renewals**
Same List Prices as above.

**Support**
Modules and product add-ons must have the same level of support as their core product.
With the exception of Forcepoint Behavioral Analytics (UEBA) and Forcepoint Dynamic Data Protection products, a minimum of Essential Support is required for every product, regardless of user count. Essential Support, Enhanced Support, and Enterprise Support are not included with any subscription or perpetual license. Must be purchased as a separate SKU.
