3000	£49,058	£12,780

Includes all Tenable licensing, quarterly management reports and service delivery reporting with a dedicated Service Delivery Manager and dedicated Account Manager.

LRQA will work with an organisation to size their required MVS service needs and service level, as follows:

- Tenable VM asset scanning only – minimum 100 assets.
- Tenable Web application scanning only – minimum 5 web applications.
- Tenable One Standard – minimum 300 assets.
- The MVS service will be subject to assumptions regarding an organisation's assets and web applications to be scanned.
- We will regularly invoice in advance on the invoice schedule defined in the Service Order.
- All invoices will be payable within 30 days.
- VAT is not included in our rates.
