

## G-CLOUD ADDITIONAL TERMS OF BUSINESS

These are our two additional G-Cloud trading terms.

They are overridden by any Call-Off Contract terms and conditions that they may contradict.

### 1 Information security

- 1.1 S8080 are ISO/IEC 27001, Cyber Essentials and Cyber Essentials Plus certified and will maintain this level of certification, together with our ISO 9001 certification, for the term of the Call-Off Contract and thereafter.
- 1.2 Your authorised service users shall keep a secure password for their administration account which shall be kept confidential. We will provide you with guidance.

### 2 Non-solicitation of staff

We've spent many years building a great team. Finding good people is difficult. We ask that you agree that during the term of the Call-Off Contract and for 12 months after termination, you will not directly or indirectly approach, with a view to offering or providing employment to, offer to contract with or entice to leave any of our employees without our prior written consent.
