## Introduction

---

This document defines the **3SL Cradle Skills for the Information Age (SFIA) Definitions and Rate Card** for 3SL's **Cloud Support** products.

## 1 3SL Labour Categories

3SL staff who provide 3SL's *Cloud Support* services are divided into the labour categories:

<b>Engineer</b>	Fully knowledgeable in Cradle operations and able to perform work in Cradle unattended
<b>Senior Engineer</b>	As Engineer but also able to advise on process definition and application in Cradle, to define operations to be performed by self and others, and to direct others
<b>Principal Engineer</b>	As Senior Engineer but also able to advise in the strategic approach to be used for the conduct of projects with Cradle, and the processes to be used by such projects

## 2 Training Service Rates

All training services are delivered by 3SL staff with labour category Senior Engineer or Principal Engineer. There is a fixed charge for each training service and so SFIA labour rates are not applicable. Please refer to the document "G-Cloud 13 - 3SL Cradle Cloud Software and Cloud Support Price List", reference SG174/08.
