Nymo TEC Oysta

G-Cloud Specific Pricing

1. NYMO TRANSPORT COMMISSIONING

Nymo TEC Oysta is a cloud-based telecare solution providing personal alarms with GPS location, fall detection, safe zones, and two-way voice communication. The service supports independent living by keeping care circles informed through real-time alerts and monitoring via the Nymo Device Management Platform.
Key capabilities include:

- Real-time location tracking when an SOS alert is raised
- Configurable geo-fencing and safe zones
- Interoperability with Alarm Receiving Centres (ARC)
- Secure cloud-based device management

2. G-CLOUD SPECIFIC PRICING

All pricing listed below is per device, per month, excludes VAT, and includes cloud platform access, UK roaming SIM (where applicable), and standard support.
