Media Monitor	Monitors foreign language media for relevant content and emerging narratives.	Per day	£750	£1,000	-	UK only
Transcription & Translation Specialist	Transcribes and translates audio/video content to evidential standards.	Per day	£800	£1,050	-	UK only
BEHAVIOURAL SCIENCE						
Behavioural Scientist	Applies behavioural science methods to influence analysis and intervention design.	Per day	£1,100	£1,400	-	UK only
Audience Research Specialist	Conducts audience analysis and segmentation to support targeted communications.	Per day	£950	£1,250	-	UK only
Cognitive Security Specialist	Analyses cognitive vulnerabilities and develops resilience measures.	Per day	£1,150	£1,450	-	UK only
AI/ML & KNOWLEDGE ENGINEERING						

AI Architect	Designs AI/ML system architectures for intelligence and analytics applications.	Per day	£1,300	£1,550	£1,850	UK only
Prompt Engineer	Develops and optimises prompts for large language models and AI systems.	Per day	£900	£1,200	£1,450	£540-£870
AI Product Manager	Manages AI-powered product development from concept to deployment.	Per day	£1,100	£1,400	£1,700	UK only
Knowledge Engineer	Designs and builds knowledge graphs, ontologies and semantic models.	Per day	£1,000	£1,300	£1,550	UK only
Model Manager	Manages ML model lifecycle including versioning, monitoring and governance.	Per day	£1,100	£1,400	-	UK only
Model Validator	Validates and tests ML models for accuracy, bias and performance.	Per day	£1,050	£1,350	-	UK only
DATA QUALITY & ENTITY RESOLUTION						
Data Quality Analyst	Assesses and improves data quality across source systems and pipelines.	Per day	£850	£1,100	£1,350	£510-£810
Entity Resolution Specialist	Develops and tunes entity matching and deduplication algorithms.	Per day	£1,000	£1,300	£1,550	UK only
Data Acquisition Specialist	Identifies, evaluates and onboards external data sources.	Per day	£900	£1,200	-	UK only
MDM Specialist	Implements master data management solutions and data governance.	Per day	£1,000	£1,300	£1,550	UK only
TRAINING & CAPABILITY TRANSFER						
Training Lead	Designs and delivers training programmes for platform and analytical skills.	Per day	£1,100	£1,400	-	UK only
Knowledge Transfer Specialist	Facilitates capability transfer from delivery team to client personnel.	Per day	£1,000	£1,300	-	UK only
Capability Development Advisor	Advises on organisational capability development and maturity improvement.	Per day	£1,150	£1,450	-	UK only
STRATEGIC CONSULTANCY						
Principal Consultant	Leads strategic engagements, providing senior advisory and thought leadership.	Per day	£1,800	-	-	UK only
Senior Consultant	Delivers complex analytical and advisory work with minimal supervision.	Per day	£1,400	-	-	UK only
Consultant	Delivers analytical and advisory work as part of engagement teams.	Per day	£1,000	-	-	UK only
Analyst (Consultancy)	Supports consultancy engagements with research, analysis and documentation.	Per day	£750	-	-	£450
OPERATIONS & SERVICE DELIVERY						
Site Reliability Engineer	Ensures platform reliability, performance and availability.	Per day	£1,000	£1,300	£1,550	£600-£930

Technical Account Manager	Manages technical relationships and ensures client success.	Per day	£1,000	£1,300	-	UK only
Service Delivery Manager	Manages service delivery, SLAs and continuous improvement.	Per day	£1,000	£1,300	£1,550	UK only

ONGOING SUPPORT PACKAGES

Support packages are available for clients with ongoing Sandpiper platform deployments. Standard Support is included with all ongoing contracts. Enhanced and Premium Support are available at additional cost.

Support Package	Description	Unit	Price (£)
Standard Support	Named Technical Account Manager. Email and phone support 09:00-18:00 UK time Monday to Friday. Quarterly service reviews. Access to knowledge base and documentation.	Per month	Included
Enhanced Support	Extended hours 08:00-20:00 UK time. Accelerated response times (Priority 1 within 30 minutes). Monthly service reviews with usage analytics and optimisation recommendations. Priority access to product roadmap briefings.	Per month	£12,000
Premium Support	24/7 support for Priority 1 and 2 issues. Dedicated support team familiar with client deployment. Scheduled onsite support visits included. Weekly operational reviews. Direct escalation path to engineering team. Proactive monitoring and alerting.	Per month	£22,000

TERMS & CONDITIONS

Working Day. 7.5 hours excluding lunch and travel. Core hours 0900-1700 (flexible by agreement). Monday-Friday excluding England & Wales bank holidays.
