Exception Reporting

Pricing

About

PayPulse Exception Reporting provides a transparent, scalable pricing model designed to support NHS Trusts of all sizes.

Our pricing reflects both the base platform fee and a per-doctor licence, ensuring fairness and flexibility across varying workforce sizes. Our product operates with a no-login system and requires you to buy a license for every resident doctor in your organisation.

Pricing bands

Band	Number of resident doctors in organisation	Annual base price	Annual per-doctor licence
A	1 – 199 doctors	£10,000	£30 per doctor
B	200 – 399 doctors	£10,000	£28 per doctor
C	400 – 699 doctors	£10,000	£25 per doctor
D	700 – 999 doctors	£10,000	£22 per doctor
E	1,000 – 1,499 doctors	£10,000	£20 per doctor

Notes

- All prices are exclusive of VAT
- The base price includes implementation, configuration, and support
- A per-doctor license is required for all resident doctors in your organisation that are eligible to exception report
- Licenses for rota, administrative and management staff (e.g. the Guardian of Safe Working) are included within the base price
