Analytics Engines Minerva BI G-Cloud 13 SaaS Pricing

Pricing is provided on a Software as a Service (SaaS) basis, excludes hosting charges, excludes VAT and subject to a minimum contract term of 12 months as described in Analytics Engines Terms and Conditions document. All SaaS fees exclude set up fees (e.g. initial data load or integration to live sources), which shall be charged on a time and materials basis as defined in the SFIA rate card.

Pricing is based on the number of user flows (where a userflow is limited to less than two input forms and two visualisations with up to 8 components), number of data sources, enrichments/ML requirements, number of users, response time, and update frequency (one-off, yearly, monthly, weekly, live). Pricing examples are given in the table below:

Cost	User Flows	Data Sources	Users	Update Freq.
£1,000/month	1	1	1	Monthly
£6,250/month	3	3	<5	Weekly
£17,000/month	5	10	<50	Live

Discounts

Analytics Engines can provide discounts on the rate outlined based on a committed volume of work across an agreed term. Regional discounts are also available where appropriate.

Travel and Subsistence

Analytics Engines will aim to provide resources that are local to the area in which work will be undertaken and where expenses will not be incurred. In some cases this will not be possible, in these instances Analytics Engines reserves the right to charge travel and subsistence expenses in addition to the SFIA rates.

RPI

Analytics Engines reserves the right to review our SFIA Rate Card annually (31st March) in line with RPI.

Payment Terms

As detailed in our T&Cs, our SFIA Rate Card assumes that all work undertaken will be on a Time and Materials basis with billing monthly in arrears.

Standards for Consultancy Day Rate cards

- Consultant's Working Day – 8 hours exclusive of travel and lunch
- Working Week – Monday to Friday excluding national holidays
- Office Hours - 09:00 – 17:00 Monday to Friday
- Professional Indemnity Insurance – included in day rate

Confidentiality and Copyright

This document is the copyright of Analytics Engines, is commercial in nature and is issued in confidence for use solely in connection with this bid; it must not be reproduced, in whole or in part, for any other purpose without the prior written consent of Analytics Engines.

Trademarks

Analytics Engines is a registered trademark. All rights reserved. You may not delete or change or modify any copyright or trademark notice.

Caveats

Analytics Engines has used all reasonable endeavours to ensure that all statements contained in this document are accurate, but will not be held responsible for any errors or omissions. All information provided prior to execution of a contract is provided "as is" without warranty of any kind. This response is submitted 'Subject to Contract' and does not constitute an offer from Analytics Engines. Analytics Engines reserves the right to withdraw from the tender following due diligence and/or contract negotiations. In the event that Analytics Engines is successful in this bid the parties will negotiate a mutually acceptable document and will be contractually bound to each other only upon execution of the same by their respective authorised signatories. We consider this response to be commercially sensitive.

Corporate Information

Analytics Engines Limited will be the contracting entity under this tender for the provision of the solution.
