Introduction to Thinc and Sage 200

As an accredited Platinum Sage Partner for over 30 years, we have a proven track record of working with Sage software systems, including Sage 200 and Sage CRM. In 2019 we were the awarded UK partner of the year by Sage for Service Excellence. With more than 400 live sites and support contracts from start-ups to multinationals, we can help your organisation implement the right Sage solution to meet your needs. Our award-winning in-house Sage experts can advise you on how the system should be tailored for your organisation and people.

Support

At Thinc we support over 400 organisations with award winning service. In 2019 Thinc were awarded UK Partner of the Year for Service Excellence by Sage.

We pride ourselves on putting our customer first. Every customer has their own unique requirements and therefore support costs vary based on the number of users and the modules that are in use.

Consultancy and Implementation

As an independent provider we have fostered strong and long-lasting relationships with industry leading partners, enabling Thinc to develop a fully accredited team of consultants with deep expertise.

Our accredited consultants design, build and support your project implementation and business. They will work with you to understand your organisations requirements, tailoring a solution that meets your needs.
