

Ledidi Core Pricing

Ledidi Core is delivered as a Software as a Service (SaaS) with a monthly subscription fee per user. All prices listed are in GBP and exclusive of VAT.

Ledidi Free

Get started with Ledidi Free and see how Ledidi Core fits your needs. There is a 30 day time limit. Create or collaborate on one project with up to 1000 entries. Convert to a Ledidi Core subscription to work and collaborate without any limitations to the number of projects or entries.

Ledidi Prime

With Ledidi Prime you get full access to all functionality in Core with no limitations in numbers of projects, entries or variables.

The Ledidi Prime subscription rate is £ 60 per month per user.

Ledidi Collaborator

With Ledidi Collaborator you get full access to all functionality in Ledidi Core in one project.

The Ledidi Collaborator subscription rate is £ 35 per month per user.

Ledidi Participant

With Ledidi Participant you get full access to basic functionality for data entry or data upload and pre-configured analysis dashboards in Ledidi Core without limitations in the number of projects.

The Ledidi Participant subscription rate is £ 35 per month per user.

Ledidi Core Team Bundle

The Team account offers Ledidi Core subscriptions for members of research groups and teams who want a shared payment.

Team Bundles consist of your own combination of Prime, Collaborator or Participant users, with the same rates as quoted above. Note that at least one Prime license is required for a Team Bundle.

Enterprise

For larger organisations we tailor offers based on the organisational profile and intended areas of use.

We offer discounted monthly subscription rates for C-Cloud 13 customers based on the aggregate number of paid users managed by the institution according to the table below.
