Company Overview

Centerprise International Ltd (Centerprise) are long standing providers of IT goods, services, and solutions. Recently Covid19 has placed a true test of character on Centerprise, as has been the case for all companies in the UK, and around the world. Fortunately, due to the countless relationships

we have built with our clients and suppliers over the years, we have done more than endure this period – we have succeeded to exceed in every single one of our targets and achieved 36% growth in FY20, with a turnover of £124m. Building on this success and the foundations laid down we have a 3-year plan that will exceed £200m by 2025. Centerprise currently employs over 200 people in the UK.

Quality and Accreditations

Centerprise maintains the highest level of standards across all aspects of business and demonstrates our commitment to the service provisions that we supply by ensuring that products and services conform to Best Practice and following the guidelines described through the accreditations that we are certificated to:

- ISO9001 – Quality Management Systems
- ISO10002 – Customer Satisfaction and Complaint
- ISO14001 – Environmental Management Systems
- ISO45001 – Occupational Health and Safety Management (OHSAS 45001)
- ISO20000 – Information Technology Service Management System
- ISO22301 – Business Continuity Management
- ISO27001 – Information Security Management
- ADISA – Asset Disposal and Information Security Alliance Accredited with Distinction
- PCI-DSS – Payment Card Industry Data Security Standard
