New Clients and Existing Clients requiring new modules

The Civica Tranman Fleet Management service is priced on a per user per month basis, with volume discounts available.

Pricing	Per User Per Month
Civica Core Tranman Fleet Management	£329.00

The price above is based on standard configuration. It includes seven modules as standard. Further optional modules are available.

Modules included as standard:

- Vehicles
- Accident Management
- Fuel Control
- Drivers
- Jobs
- Maintenance Scheduling
- Stock Control

Pricing varies subject to a number of variables, such as total user numbers, fleet size and precise functional requirements.

The price above does not include disaster recovery (DR) provision. DR can be provided at additional cost depending on which service is required.

Implementation and any third-party costs are not included in the minimum price shown, since these elements vary subject to the detailed requirements of the customer.

Implementation services will be charged as per Civica's Rate Card for professional services, a copy of which forms part of Civica's G Cloud 13 listing.

The minimum contract length is 36 months.

Please contact us to discuss your detailed requirements.

All prices are exclusive of VAT.
