Customer Acceleration Programs

From time to time, AWS may offer Customer Acceleration Programs ("Support Programs") that provide additional resources and/or sample services to support its Customers in their expansion journey to the cloud. Such Support Programs may include (but are not limited to):

- AWS Credit Program for Non-Profits (https://aws.amazon.com/blogs/publicsector/how-to-support-your-nonprofits-goalswith-aws-credits/)
- AWS Programs for Research and Education (https://aws.amazon.com/grants/)
- AWS Activate credits for start-up organisations (https://aws.amazon.com/activate/)
- Free Trials (https://aws.amazon.com/free/start-your-free-trial/) and Proof of Concept support to get hands on experience with new AWS products
- Additional assistance for customers moving workloads based on the MAP methodology with support including the Migration Readiness Assessment, Migration readiness & Mobilize projects may be available (https://aws.amazon.com/migration-acceleration-program/)

And any other Support Program that AWS may make available to its Customers from time to time.

These Support Programs are for existing Customers with an established billing AWS account who are currently purchasing AWS services using a G-Cloud Call-Off Contract. Please note that access to any Support Program will be subject to certain eligibility criteria and not all Support Programs may be suitable for every Customers. In addition, Customers will have to accept terms and conditions relating to each individual Support Program to receive the benefit. AWS reserves the right to remove any Support Program from time to time without notice. Please contact your Account Representative to enquire if there are active programs your organisation may be eligible to participate in.
