Our Rates

We offer 3 packages on My Surgery Website Digital Practice platform.

- **Bronze package:** once developed, this is self-managed through our new intuitive editorial suite, with access to a comprehensive help-centre that provides step-by-step guidance. This also comes with 49 standard online forms that can be turned on or off at practice discretion, submitted through the site at received at practice level on a separate dashboard.
- **Silver package:** in addition to editorial suite access and standard online forms, you'll also get dedicated support, so the team will maintain and update the site upon request; you'll also get access to our new bespoke form editor, that allows you to change the standard forms, or build your own online forms to capture data using Yes/No, multiple choice and free-text boxes.
- **Gold package:** in addition the service you get with the silver package, you'll also get access to DOC (Diagnosis On Camera) APP, which allows patients to simply and securely send phone camera photos directly to reception / administration staff for attachment to their surgery patient record.

All 1-5 year licenses can be paid in advance, or setup on monthly Direct Debit, so you benefit from reduced unit rates and budget easier.
