DEVELOPMENT & ENGINEERING

Will be conducted by the One Beyond Engineering and QA team. Prices for these team members are as follows:

- Software Developer £650 +VAT per day
- DevOps Engineer £800 +VAT per day
- Quality Assurance Engineer £600 +VAT per day
- UX/Design £650 +VAT per day
- Project/Delivery Manager £800 +VAT per day

MIGRATION

Will be conducted by both the One Beyond Architecture, and Engineering and QA teams.

SUPPORT SERVICES

Support services are based on a calculation of the size and complexity of the application, and how many monthly hours ("Available Hours") are needed for this maintenance. One Beyond hourly support rate is £95+VAT and are not typically less than £1000+VAT per month.

HOSTING SERVICES

Hosting services are based on Azure or AWS costs (One Beyond will "pass through" any costs to the client), and One Beyond applies a margin by way of the larger of a monthly fee of;

- £150 +VAT or;
- 25% of the Azure fees
