Akhter Computers Limited

G-Cloud 14 Pricing Information

Generic Pricing Information

- Akhter Computers may apply sector specific pricing and actively seeks to promote its products and services into the Public sector marketplace incorporating Ministry of Defense, Education and Blue Light Services.
- All pricing provided is quoted in Pounds Sterling (GBP) and prices quoted are all provided exclusive of VAT at the currently prevailing rate (unless otherwise stated).

Resource Specific Pricing

- Resource specific pricing has been provided in the SFIA “G-Cloud 14 rate card” for this service
- Akhter have provided an SFIA rate card under a separate attachment, which is downloadable as an additional document, this provides a list of the standard day rates which could be chargeable for this service
- Please note that the costs provided on the SFIA rate card indicate the range of pricing that could be applied. The exact price to be charged will be dependent upon project complexity as well as any commercial discretionary discount which may be applied as highlighted below.

Pricing combined service projects

- Akhter Computers may offer a package price for a client who wishes to procure multiple offerings under this framework, this pricing may not be the sum of the individual product service line items costs, if the lines purchased allow for consolidation of multiple compatible activities.
- The exact nature of any pricing realignment would be subject to agreement between the client and Akhter Computers Commercial team.
