G-Cloud 14 Pricing Document

NODE4 LIMITED

Public

Introduction

The purpose of this pricing document is to provide professional services pricing information, covering the following **Node4** practice areas, designed to support organisations in navigating the complexities of digital transformation and business improvement:

- **Advisory** - We help clients achieve strategic objectives, enhance operational efficiency, and realise business value through technology.
- **Consultancy** - With a focus on delivering tangible outcomes, our portfolio is designed to guide you through every phase of your transformation journey, from strategy formulation to execution.
- **Cloud** - Designed to empower your organisation through every stage of your cloud journey, from initial assessment to optimisation and security enhancement. By combining deep technical expertise with strategic insights, we ensure your cloud infrastructure is resilient, secure, and perfectly aligned with your business objectives.
- **Modern Work** - Enables organisations to embrace the future of work through digital transformation, focusing on enhancing communication, collaboration, and productivity. By leveraging advanced technologies and best practices, we ensure that your workforce is equipped to meet the challenges of today and tomorrow.
- **Digital and App Innovation** - We provide a comprehensive suite of services that ensure your applications are not only modern and efficient but also fully aligned with your strategic objectives.
- **Digital Skills** - With a focus on fostering a culture of continuous learning and adaptation, our portfolio ensures your organisation remains at the forefront of technological innovation.

Standards for consultancy day rate cards

- Consultant's working day: 8 hours exclusive of travel and lunch.
- Working week: Monday to Friday excluding national holidays.
- Office hours: 9:00am to 5:00pm Monday to Friday.
- Travel, mileage subsistence: Included in day rate if the consultant and customer are within the M25. Payable at department's standard travel and subsistence rates outside M25.
- Professional indemnity insurance: included in day rate.

Volume Discounts

We recognise the value of our partnerships and are committed to fostering mutually beneficial relationships. In line with this commitment, we may offer volume discounts for our Framework services on G-Cloud 14, evaluated on a case-by-case basis. These discounts are designed to reflect the scale and scope of engagement, aiming to provide additional value where possible.

Please note, however, that volume discounts are not guaranteed for every call-off contract. We encourage discussions with our team to explore how we can best support your objectives within the Framework.
