Pricing

Agile SaaS (Software as a Service) is a subscription-based service which is priced as follows:

- The licence cost is £40 - £100 per user per month dependent on volume
- For price points and discounts, please see the Volume Discount Structure below
- The minimum contract term is 24 months
- You can increase the number of users at any time during the term of the agreement. Additional user fees will be invoiced in advance.
- Fees are invoiced annually in advance

Our Inclusive Price

The price is for a fully managed, hosted solution that includes:

- Application support – via telephone and the Customer Help Desk
- All upgrades – applied without requiring end user down time
- All enhancements for statutory and legislative changes
- Citizen access portals
- Integrated report writer, standard reports and KPI Dashboards
- Integrated GIS solution

Volume discount structure

No of Users	Discount	Monthly Cost per User	Yearly Cost per User
1 – 10	0	£100	£1,200
11 – 30	20%	£80	£960
31 – 60	40%	£60	£720
60 +	60%	£40	£480

The minimum number of users for this service is 60. Discount rates are for additional licences within the number shown in the discount band. The minimum cost of this service is £52,800 per annum.

What's not included?
