G-Cloud 14 Pricing

The pricing for the delivery of the OneView platform comprises two components as outlined below;

- Platform implementation costs which are based on the requirements & specifications of the project and are priced according to our SFIA rate card.
- Platform Licensing costs which are priced on the following;
  - Core platform license fee
  - Number of records processed per month
  - The number of the following types of users;
    - Frontline Users
    - Business Users
    - Developer Users

Platform License Costs

- Core platform license fees

A core annual license fee is charged for the OneView platform which is £100,000 per year for councils up to a population of 500,000 residents and £150,000 for councils with a population over 500,000 residents.

- Record processing

A minimum of 2m rows of data per month are included in the annual license and an additional cost of £72,000 per year. If a client wishes to process more data, the following volumetric pricing applies which can be agreed as part of an initial delivery, or added as part of a CR process;

Volume of data processed	Cost per row of data per month
2,000,001 – 3,000,000	£0.003
3,000,001 – 6,000,000	£0.002
6,000,000 +	£0.001

- Frontline Users

If a client wishes to add Frontline Users, there is volumetric pricing as follows which can be agreed as part of an initial delivery, or added as part of a CR process;

Number of users	Cost per user per annum
0-250	£150
251-1,000	£50
1000 +	£25

- Business users

A minimum of 20 licenses for Business Users are included in the annual license at a cost of £18,000. If a client wishes to add more Business Users, there is volumetric pricing as follows which can be agreed as part of an initial delivery, or added as part of a CR process;

Number of users	Cost per user per annum
3-50	£900
51-250	£400
251-500	£200
500+	£100

- Developer Users

A minimum of 2 Developer Accounts are included in the annual license at a cost of £10,000. If a client wishes to add more Developer Users, there is volumetric pricing as follows which can be agreed as part of an initial delivery, or added as part of a CR process;

Number of users	Cost per user per annum
3-15	£5,000
16-25	£2,500
26+	£1,000

Our Breathing Space Service is available to any council at a cost of £20,000 per annum or at no charge if included in a broader OneView platform delivery.
