

Service: Cloud Consultancy Services

Pricing

Our pricing is based on a time and materials basis. This service can be for short or long term services. The price can be significantly reduced for longer term engagements.

At the start of any engagement the project scope is clearly defined with a measurable return on investment documented. The output of the engagement is also made clear to ensure that the expectations of all stakeholders is delivered.

The standard rate table is below.

Resource	Day Rate	Monthly Day Rate
Senior Consultant	£900	£720
Junior Consultant	£700	£560
Technical Engineer/Architect	£900	£720
Project Manager	£850	£680
Junior Engineer	£700	£560
Trainer	£550	£440

All prices exclude VAT and expenses.
