Introduction to our Cloud Support Services

An Introduction to Baringa

Baringa Partners LLP is an award-winning management consultancy specialising in government, energy, financial services, utilities, telecoms and media, and consumer products. It partners with organisations when they are developing and delivering key elements of their business strategy, as well as working extensively with government and regulators providing policy and advisory services.

Baringa is recognised both in the UK and internationally for its unique culture for which it has been awarded a number of accolades.

An Introduction to Our Cloud Support Services

Our accomplished team helps UK based and global organisations to implement technology change and run more effective technology enabled businesses. We have worked with organisations across different sectors to deliver value from their cloud programmes, advising and executing across strategy, architecture and DevOps, migration, reporting and Artificial Intelligence (AI) implementation.

We operate across leading public cloud platforms including AWS, Azure and GCP to accelerate delivery of value for our clients alongside developing and hosting our own solutions. We're independent of specific cloud vendors and are comfortable and experienced with cross- and multi-cloud solutions.

We hold both architecture and engineering cloud accreditations across AWS, Azure and GCP, offering Cloud Support Services across a range of capabilities.
