## What We Are and What We Do

Caja is an innovative business transformation consultancy, located on Keele University Science Park. With a profound focus on organisational optimisation, (strategy, Process, Technology & People) business & digital change, for successful evidenced based outcomes, our expertise is underpinned by robust governance and programme management, data & behavioural science, challenge, knowledge sharing, and transfer.

WHO ARE  
**CAJA**

Our collaborative approach begins with a deep understanding of your vision and goals, delving into the intricacies of your environment and organisation, and ensuring that there is a shared understanding of your strategic priorities.

Our experienced senior resources are leaders in their respective fields, pooling a breadth and depth of knowledge and experience from across the private and public sectors. Our directors, all of whom have previously held senior roles in large global professional services, outsourcing and transformation businesses, manage the Caja community and are dedicated to ensuring that all our clients receive consistent high-quality outcomes, underpinned by robust quality assurance frameworks.

### Vision

Our vision is to be the industry leader in business transformation, continually setting benchmarks for innovation and excellence in service, impacting a broad spectrum of industries including public, private, health, and education sectors.

### Mission

Caja is committed to driving sustainable transformation and solving complex problems through innovative, tailored solutions that combine people-led processes and advanced technology, enhancing business success across diverse sectors.

Caja leverages the expertise of over 140 business consultants across various industries to offer a robust alternative in the market, driving real and sustainable change.

Our entrepreneurial spirit fosters strategic technology partnerships in areas like digital transformation, AI, robotics, and cybersecurity.

Our team's vast experience spans local and central government, the charitable sector, and private industries, aligning organisational capabilities with strategic visions.
