

Microsoft Teams governance, provisioning and lifecycle management with Orchestry

Summary

Enable, adopt and govern your Microsoft 365 environment with Orchestry by empowering both Administrators and end-users. If you have already deployed Teams and are unsure how Orchestry might help we can run a discovery engagement and demonstrate the immediate and ongoing value.

Features

- Governance, risk management and compliance (GRC)
- End User provisioning under controlled conditions of Microsoft Teams
- Microsoft Teams life-cycle management with automated notifications and archival actions
- Microsoft Teams navigation and usability enhancement
- Create Teams templates with predefined settings, channels and tabs
- Prevent Teams duplication with approval workflows and enforce naming conventions
- Update published Team templates seamlessly in one click
- Reporting; Track all activity from the administration dashboard

Benefits

- Offer a simplified experience and boost adoption
- Control Teams onboarding and growth while minimising Microsoft Teams Sprawl
- Optimize provisioning processes and avoid the existence of redundant workspaces
- Full overview of your Teams with at a glance monitoring
- Promote moderation and support employee adoption
- Control your Teams infrastructure with integrated approval workflows
- Optimise employee use with insight reporting and activities tracking
- Maintain good housekeeping with archiving processes
- Promote a meaningful usage of Teams
- Drive adoption with pre-built templates, features and apps

Why Intelogy?

We work with organisations who recognise the potential for technology to transform their businesses, and help them visualise, define and realise solutions that change how they work for the better. Offering comprehensive delivery services, from strategic consultancy, software design and construction, to ongoing client services, Intelogy are at the forefront of extending Office 365, SharePoint and Azure into streamlined business tools.

Founded in 1994, Intelogy has grown to become the trusted digital partner for numerous clients. As a Microsoft Gold Partner since 2000, we pride ourselves on consistently delivering exceptional solutions that improve workplace productivity. Our user-first approach places emphasis on identifying and addressing staff and customer needs – resulting in intuitive applications that drive team efficiency.
