

# Trimble Viewpoint for Projects

Pricing document  
December 2025

# Named Project Based Pricing

Pricing is based on the specific named project value (TPV). The model includes unlimited users, data storage but constrained to one named project.

Named Project Value	Monthly price (ex VAT)
£2.5m	£300 per month
£100m	£2,500 per month
£500m	£5,000 per month

# Total Project Value Based Pricing

Pricing is based on the sum total of multiple projects. The model includes unlimited users, data storage and an unlimited number of projects provided it is within the scope of the total project value.

Total Project Value	Monthly price (ex VAT)
£5m to	£740 per month
£90m	£3,000 per month
£200m	£5,500 per month

# Professional Services Training and Configuration

Professional services hours to cover additional training and set up requirements are charged at £150 + VAT per hour, with a minimum of 29 hours being purchased at a point of sale.
