## Service Pricing Model: Atlassian University Training Credits

### Introduction

Atlassian offers a wide range of courses and certifications, through the Atlassian University: <https://university.atlassian.com/student/catalog>.

Our Atlassian University Training Credits service provides a simple, fixed price procurement route for GCloud 14 customers who need Atlassian University Training Credits but are either unable to or do not want to buy them directly from Atlassian.

The list prices given in this Service Pricing Model document are inclusive of:

- Credit procurement only

This document sets out the pricing model used for this service. All prices given in this Pricing Model are exclusive of VAT.

### Pricing Model

Order Size	Price
Less than 20,000	£1 per Credit
20,000 or more	£0.80 per Credit

Each credit can be purchased at a price of £1 per credit, inclusive of all fees, exchange rate transfers and other costs. Credits can be used to purchase any applicable training course or exam at the rate of one credit to \$1US at the prevalent price on the Atlassian University. Credits must be paid for in advance and can only be used to purchase training credits through the Atlassian University. The 20,000+ discount applies per order and does not aggregate over multiple orders.
