THE PEAK CONSULTANCY

Service Pricing Model: Atlassian Cloud Product Licensing

Introduction

Our Atlassian Cloud Product Licensing service provides a simple, fixed price procurement route for GCloud 14 customers who need Atlassian Cloud product licences but are either unable to or do not want to buy them directly from Atlassian.

The list prices given in this Service Pricing Model document are inclusive of:

- Licensing guidance, providing impartial advice on the most cost-effective Cloud licences and licencing model for your circumstances.
- Licence procurement.
- Licence renewal reminders.
- Cataloguing and record-keeping of all Atlassian Support Entitlement Numbers (SENs) and other relevant license information on your behalf.

This document sets out the pricing model used for this service, illustrated with some examples of typical scenarios to help you understand how it is applied. All prices given in this Pricing Model are exclusive of VAT.
