

# CLOUD PROGRAMME AND PROJECT MANAGEMENT

G Cloud 14 Service Definition Document

---

A photograph of two men in an office setting. The man on the left, wearing a dark blue polo shirt and glasses, is looking at a computer monitor displaying code. The man on the right, wearing a white t-shirt and glasses, is looking at the same monitor. The background is slightly blurred, showing other office desks and a red pillar. The text "CLOUD PROGRAMME AND PROJECT MANAGEMENT" is overlaid in large white letters.

# CLOUD PROGRAMME AND PROJECT MANAGEMENT

## CLOUD PROGRAMME AND PROJECT MANAGEMENT

- Improve estimation and forecasting of programme delivery
- Successful delivery of business change
- Knowledge transfer and coaching for your teams

### KEY CASE STUDY EXAMPLES

#### N BROWN GROUP PLC

**AND** have successfully programme managed several complex cloud migration and greenfield projects with tight deadlines. At N Brown Group, we worked alongside multidisciplinary teams in multi-stakeholder environments, providing clarity of vision and guidance to client leadership teams.

#### COVEA insurance

For Covea Insurance's large-scale transformation programme, we worked across eight blended teams and six suppliers to expedite delivery. We implemented multiple agile delivery improvements including Scaled Agile (SAFe), cross-team showcases and shared backlogs to improve collaboration between teams. This increased sprint velocity by 20% and helped to achieve original release dates.

A photograph of three people in a meeting. A woman with blonde hair is on the left, looking towards the right. Two men are in the center and right, looking at a whiteboard. The man in the center is pointing at the whiteboard with his right hand. He is wearing a light-colored shirt and glasses. The man on the right is wearing a dark jacket with a white logo that says "CALVIN KLEIN JEANS" and is also pointing at the whiteboard. The whiteboard has some papers and diagrams on it. The background is a blurred office setting.

# ABOUT **AND** Digital

# It's time to unlock greater value – faster.

**AND Digital** is a UK company built from the ground up to **accelerate digital delivery** - empowering organisations to deliver better, more efficient digital services and products today.

At the same time, we combine our technical expertise with an award-winning learning ethos. This means that even as we're helping clients ship best-in-class services, we're also helping to build the high performing digital teams and capabilities they need for continued success tomorrow.

The result?  
Greater value from digital, delivered faster.
