

DATA FLUENCY PROGRAMME

G Cloud 14 Service Definition Document

A photograph of two men in an office environment. The man on the left, wearing a dark blue polo shirt and glasses, is looking at a computer monitor. The man on the right, wearing a white t-shirt and glasses, is also looking at the monitor. The monitor displays lines of code in a dark-themed editor. A laptop and a pair of headphones are on the desk. The background is slightly blurred, showing other office desks and a red wall.

DATA FLUENCY PROGRAMME

DATA FLUENCY PROGRAMME

ANDigital's Data Fluency Programme is a customised data literacy training course which will help your teams understand how data helps them in their role. ANDigital will equip your teams with the skills/mindsets/habits that will bridge the gap between business problems and the data can be used to solve them.

SERVICE FEATURES

- Modular data fluency course
- Data in the Business
- Data in Your Role
- Exploring Data
- Storytelling with Data
- Train the trainer
- Customisable to your own data
- Customisable to your own tools and processes

SERVICE BENEFITS

- Enhances your data culture by elevating everyone's understanding
- Improving data fluency & data literacy
- Improved efficiency of data teams
- Enhance self-service data analysis capabilities
- Valuable skills development opportunity for teams
- Practical tools
- Train your teams to deliver the training in the future as and when required

A photograph of three people in a meeting. A woman with blonde hair is on the left, looking towards the right. Two men are in the center and right, looking at a whiteboard. The man in the center is pointing at the whiteboard with his right hand. He is wearing a light-colored button-down shirt and glasses. The man on the right is wearing a dark jacket with a white Calvin Klein logo and a lanyard. He is also pointing at the whiteboard. The whiteboard has some papers and diagrams on it. The background is a bright, modern office space.

ABOUT **AND** Digital

It's time to unlock greater value – faster.

AND Digital is a UK company built from the ground up to **accelerate digital delivery** - empowering organisations to deliver better, more efficient digital services and products today.

At the same time, we combine our technical expertise with an award-winning learning ethos. This means that even as we're helping clients ship best-in-class services, we're also helping to build the high performing digital teams and capabilities they need for continued success tomorrow.

The result?
Greater value from digital, delivered faster.
