1 Service Pricing

1.1 Pricing

This service is priced based on resource requirements and the required timescale agreed during requirement analysis. Resources will be charged in accordance with the agreed SFIA levels.

Two pricing options are available:

- Firm price. The firm price will be based on the anticipated resource requirements including provision for risk. Provision for travel and subsistence cost will be made. Payment will be required against achievement of agreed milestones. Details will be specified in a firm priced quotation provided and agreed before service commencement.
- Limit of liability. The limit of liability will be agreed based on Time and Materials. Charges will then be made monthly in arrears against resource effort expended. A limit of liability will be agreed to cover travel and subsistence. Travel and subsistence costs will be charged at cost, monthly in arrears, against cost incurred.

1.2 General

The following notes are associated with this service:

- A Scope of Work will be produced setting out the exact requirements and entire scope.
- All invoices will be payable within 30 days.
- VAT is not included in our rates.
- Consultant's Working Day – 7.5 hours exclusive of travel and lunch.
- Working Week – Monday to Friday excluding national holidays.
- Office Hours – 8:30am – 5pm Monday to Friday.
- Travel and Subsistence – Service Consumer agrees to pay the charges specified in the Scope of Work and to reimburse related expenses of personnel for provision of services, unless otherwise specified in the Scope of Work.
