1.1.1. Pricing terms

Proventeq's pricing terms are as follows:

- All Prices are in GBP and exclude VAT
- Travel/mileage and subsistence are included in the day rate within the M25. Outside of the M25 travel and subsistence is payable at the department's standard T&S.

2. CLOUD MIGRATION ACCELERATOR PRICING

Cloud Migration Accelerator Pricing is based on a combination of:

- Monthly Subscription fees
- Volume of content to be migrated from a source system

2.1. Monthly Subscription Fees

Subscription Fees for Cloud Migration Accelerator is £550 per month, per subscription.

- A separate subscription must be purchased for each target system. The supported systems are Office 365/SharePoint Online/OneDrive, GSuite, Box, M-Files, Oracle Documents Cloud, Drupal Cloud and Open Source Cloud
- Multiple subscriptions for same target may be purchased, based on the requirements
- Any number of months' subscription can be purchased in advance

2.2. Pricing based on source and volume

In addition to the subscription fees, charges for content migration are calculated as per the pricing matrix in the table below.

Product ID	Source	Volume		
		250 GB	500 GB	1 TB**
PVQ-ECM	ECM Systems*	8,250	13,200	22,000
PVQ-EFSS	Citrix ShareFile , G-Suite, Box and other Cloud-based File Sharing and Collaboration systems	2,195	3,295	3,845
PVQ-MSFS	SharePoint, Exchange Public Folders, FileShares, OneDrive	2,195	3,295	3,845
PVQ-WEB	Portals, Legacy Websites	10,995	16,495	22,000

*Full list of supported ECM systems available in service definition document.

**POA for content volumes greater than 1TB.
