Work outside Office Hours

Additional charges apply when Create/Change staff are required to work outside of standard office hours.

If a staff member is required to make themselves available for work (to be 'On Call'), a fixed fee (below) will apply for any 8 hour period of being available - regardless of whether they do any work during the on-call period.

Any work done during the on call period will attract a premium on top of the individual's usual day rate - also shown below.

The on-call premium ensures we can provide you with the flexibility for rapid off-hours response and support when essential, while fairly compensating our workforce for unsociable hours availability.

Weekday (mornings before 9am or evenings after 17:00)	Fees
On call fee	£200
Hourly fee	Standard hourly rate + 50%

Weekends and bank holidays	Fees
On call fee	£300
Hourly fee	Standard hourly rate + 100%
