ARDENS MANAGER NATIONAL DASHBOARDS

This package costs 18p per patient per year, with an additional one-off set-up fee of £495 per practice. Set-up fees cover the initial administrative cost and practice training. This service includes dashboards to monitor patient, points, and income-based activity for the following areas:

- QOF Contract & Case Finders
- Network Contract DES including IIF
- SMI Physical Health Checks
- Other Enhanced Services
- Long Term Conditions
- Prescribing
- Vaccination
- Workforce and Capacity & Access Demand

ARDENS MANAGER LOCAL DASHBOARDS

This package costs 18p per patient per year, with an additional one-off set-up fee of £1120 per practice. Set-up fees cover the initial administrative cost and practice training. These dashboards significantly reduce the administrative time spent on creating, managing and reporting on Locally Commissioned Services. This includes:

- Electronic signatures
- Opt-in/opt-out services
- Data extraction
- Submissions
- Payment dashboards.

ARDENS MANAGER PUBLIC HEALTH DASHBOARDS

This package costs 6p per patient per year, with an additional one-off set-up fee of £495 per practice. Set-up fees cover the initial administrative cost and practice training. This service includes dashboards to monitor patient, points, and income-based activity for Public Health Commissioned Services, including but not limited to:

- NHS Health Checks
- Homeless
- Lifestyle
- Long-acting Reversible Contraception (LARC)
- Procedures
- Sexual Health
- Smoking Cessation
- Substance Misuse
