ARDENS MANAGER NATIONAL DASHBOARDS

This package costs 18p per patient per year, with an additional one-off set-up fee of £495 per practice. Set-up fees cover the initial administrative cost and practice training. This service includes dashboards to monitor patient, points, and income-based activity for the following areas:

- QOF Contract & Case Finders
- Network Contract DES including IIF
- SMI Physical Health Checks
- Other Enhanced Services
- Long Term Conditions
- Prescribing
- Vaccination
- Workforce and Capacity & Access Demand

ARDENS MANAGER LOCAL DASHBOARDS

This package costs 18p per patient per year, with an additional one-off set-up fee of £1120 per practice. Set-up fees cover the initial administrative cost and practice training. These dashboards significantly reduce the administrative time spent on creating, managing and reporting on Locally Commissioned Services. This includes:

- Electronic signatures
- Opt-in/opt-out services
- Data extraction
- Submissions
- Payment dashboards.

ARDENS MANAGER PUBLIC HEALTH DASHBOARDS

This package costs 6p per patient per year, with an additional one-off set-up fee of £495 per practice. Set-up fees cover the initial administrative cost and practice training. This service includes dashboards to monitor patient, points, and income-based activity for Public Health Commissioned Services, including but not limited to:

- NHS Health Checks
- Homeless
- Lifestyle
- Long-acting Reversible Contraception (LARC)
- Procedures
- Sexual Health
- Smoking Cessation
- Substance Misuse

Discounted Pricing

Promotional Pricing – G-Cloud 14 (Public Health Dashboards)

For G-Cloud 14 procurements, Ardens is offering promotional pricing for Ardens Manager Public Health Dashboards.

Promotional pricing applies where:

- A completed and signed G-Cloud Call-Off Order Form is received by Ardens on or before 31 March 2026; and
- A minimum initial contract term of thirty-six (36) months is agreed.

1. Contract Term: 36 Months (with Optional 12-Month Extension)

For contracts with an initial term of thirty-six (36) months (with the option to extend for up to a further twelve (12) months in accordance with G-Cloud 14 framework rules), the following rates apply:

A. Deployments of 440,000 Patients or More

- £0.05 per patient per year
- £295 one-off setup fee per practice

B. Deployments of Fewer Than 440,000 Patients

- £0.04625 per patient per year
- £335.75 one-off setup fee per practice

The registered population is calculated using the combined registered list size of all GP practices included within scope at contract commencement.

2. Upfront Payment Discount (36-Month Initial Term Only)

Where a minimum initial term of thirty-six (36) months is agreed:

- Payment of at least 75% of the total 36-month contract value at commencement reduces the per-patient rate by £0.002 (0.2p).
- Payment of 100% of the total 36-month contract value at commencement reduces the per-patient rate by £0.004 (0.4p).

These reductions apply to the population-based rates above.

Upfront discounts are not available on contracts with an initial term shorter than thirty-six (36) months.

Promotional Pricing – G-Cloud 14 (Ardens Manager Local Dashboards + Ardens Clinical Plus (Renewals))

Promotional pricing applies where:

- A completed and signed G-Cloud Call-Off Order Form is received by Ardens on or before 1 April 2026
- The service is being procured as a renewal of an existing Ardens Manager Local Dashboards deployment.
- No new deployment or onboarding is required.
- The service is procured alongside Ardens Clinical - Plus as part of the same G-Cloud procurement.
- The purchasing organisation currently has Ardens Clinical Plus and Ardens Manager Local Dashboards already deployed across participating practices.
- Deployment covering between 325,000 to 350,000 patients

Promotional Rate:

- Annual Licence Fee: 8.965p per patient per year
