

G-CLOUD 14 PRICING DOCUMENT

All of NWT G-Cloud 14 pricing is based on either a day rate or an 'as a service' offering. You can find our prices on the table below.

Rates are shown in pounds sterling (GBP) per person per day for this service, excluding VAT before discounts (where appropriate).

The number of roles and length of time needed for each service will vary depending on the scope of the project.

When possible, we may offer discounts for larger teams, longer-term projects or where multiple services are bought by the same client, but these will be discussed on an individual bases.

Consultants Working Day: 7.5 hours exclusive of travel and lunch.

Working Week: Monday to Friday excluding national Bank Holidays

Office Hours: 9:00 am – 17:30 pm

Travel, mileage and subsistence: Included in the day rate.

Row Labels	Sum of L Price x Months	Sum of M Price x Months	Sum of H Price x Months
