Section 2 - general obligations, information and introductions

- 2.0 We agree to use our reasonable endeavours to provide the Services. For the purpose of the Conduct Regulations where your Requirement is only for the Temp Supply of a Candidate we shall be acting as a Supplier but for all other Requirements we operate as an Introducer.
- 2.1 You agree to accept our Services and you acknowledge and agree
- (a) the Conduct Regulations and other statutory obligations require us to provide specific information to each Candidate and to other authorities in relation to any Requirement; accordingly, to enable us to comply with our obligations and to help us introduce a suitable candidate you must
 - (i) upon issuing a Requirement or as soon as possible thereafter provide the information set out in the Schedule together with answers to any additional questions we may raise, and
 - (ii) prior to an Engagement promptly inform us of any additional information or any change to information already provided
 - (b) in order to achieve a satisfactory outcome, to check that the Candidate is suitable for your purposes and that you are satisfied with the information and confirmations we have provided to you, regardless of our statutory obligations, and you agree in particular
 - (i) regardless of any references or information that we may provide, to take up your own references for the Candidate and verify the experience, training and qualifications of the Candidate or other information supplied
 - (ii) to ensure that the Candidate has any necessary permit or authority to work for you and comply with asylum and immigration requirements relevant to an employer
 - (iii) to explain your requirements to the Candidate promptly on commencement of the Engagement if you have not already done so
 - (c) where you need authorisation or a licence to be able to engage a Candidate or allow the Candidate to work in the position you seek to fill, your request for us to seek a Candidate shall be deemed to be your confirmation that you have all necessary authorisations and licences unless you inform us otherwise, for example where you are in the process of applying for the required authorisation
 - (d) to ensure that all information you provide to us is full and accurate
 - (e) to keep us promptly informed of your intentions in relation to an Engagement of a Candidate throughout the Fee Period.
- 2.2 We may Introduce Candidates to you regardless of any specific Requirement and for the avoidance of doubt you may Engage the Candidate for any purpose, job or role regardless of any stated initial intention. In the event that you have not already provided us with information in accordance with this Section 2, you agree to provide us with that information promptly.
- 2.3 Transparency is important to avoid duplication of effort. Accordingly, you agree to tell us promptly if you are using any Social Media, using a third party to fill positions or you are actively considering an individual introduced from another source or already known to you, for filling a Requirement. In all cases it is your sole responsibility for checking whether a Candidate has been previously introduced by another party and for keeping us informed.
- 2.4 If you are already, at the time we first Introduce a Candidate to you, actively considering the Candidate for Engagement such that you believe that we have no entitlement to a Fee, it is important that you notify us in writing within the notification period specified in the CSA, or, if no period is specified, within 5 working days of the earliest date upon which you are able to identify the Candidate from the information we have provided, together with clear supporting evidence of your active consideration.
- 2.5 Wherever there is an Assignment we shall endeavour to advise you of the details as soon as possible unless, in the case of a Perm Placement, you have concluded negotiations with the Candidate direct. For the avoidance of doubt,

whilst we may advise you of the details applicable to the placement of a Candidate, those details are relevant only to record rates agreed for the purposes of our Fee and your use of the Candidate but not further or otherwise.

- 2.6 In the case of a Temp Supply, we may confirm the detail of the Assignment to you and ask you to accept. However regardless of any express acceptance the commencement of any work for you, or attendance at the Client Site, by the Candidate shall be deemed to be and constitute your acceptance of the Assignment.

Section 3 – remuneration

- 3.0 Remuneration referred to in the Fee Scales, for the purposes of our Fee, is calculated as follows:
- (a) subject to clause 3.0(b), the total proposed or projected sum (whichever is higher), payable by you or an End User for the benefit of the services of a Candidate under an Engagement for one calendar year from the earlier of the proposed or actual commencement of the service, together with the value attributable by HM Revenue & Customs, or for the avoidance of doubt, would be attributed by HM Revenue & Customs were the benefit subject to tax in the UK, of all taxable benefits provided under the Engagement, such value in respect of any motor vehicle being not less than £7,500
 - (b) calculation is on an annualised basis, so that the same payment rate or charge applicable during the period of an Engagement which is projected to be for less than a full calendar year shall be deemed to apply as if the Engagement were to continue for a full year, whether or not the Engagement continues for a full year.
- 3.1 Wherever there is an Engagement, not being a Temp Supply, in respect of which we believe (whether reasonably or otherwise) we may be due a Fee you shall, within 7 days of our written request, provide details of the Remuneration and such other material terms of the Engagement as we may request. If you do not inform us of the relevant Remuneration within 7 days of our enquiry, or by a later date we raise an invoice, the Remuneration shall be deemed to be an amount calculated on the basis of the higher of
- (a) the rate payable by you under the last previous Assignment, or
 - (b) the highest amount or rate indicated by either you or us as payable for the services sought by you, or
 - (c) the highest amount achievable in the marketplace for a person of similar experience to work in the position that has been filled - such amount shall be determined by us based upon appropriate evidence.
- 3.2 For the avoidance of doubt in the case of an Offer that is withdrawn, Remuneration shall be calculated on the projected sum and/or value contained within the Offer.

Section 4 – fees and invoicing generally

- 4.0 You agree to pay our Fees and any Expenses in accordance with the Payment Terms without deduction, set off or counterclaim, subject only to clauses 6.4 and 6.5.
- 4.1 Our Fees are due and payable by you whenever you use a Candidate, an Offer is made, we provide an Additional Service for which we have agreed a Fee, or otherwise as agreed in or pursuant to these Terms. For the purposes of these Terms, you 'use a Candidate' whenever there is an Engagement within the Fee Period, being where you Engage a Candidate (whether or not as an Assignment), or you introduce (by providing information or otherwise) a Candidate to an End User which enters into an Engagement of the Candidate. The date of an Engagement shall be deemed to be the earlier of the date of an agreement to Engage or the date of commencement of any services under an Engagement..
- 4.2 Save as otherwise provided for, Fees for Engagements and Assignments and how they are calculated are set out in the Fee Scales.
- 4.3 In the case of a Temp Placement we may as a concession ("Concession") agree to charge a single fee based on Remuneration calculated on a fixed period ("Fixed Period") of your Engagement of the Candidate instead of a Fee under Fees 2 (margin only) or under Fees 1 (for Perm Placements and Engagements), and in the event of an agreed Concession the following shall apply:
- (a) it is a condition of our agreement to accept the Concession single fee that payment is made in accordance with the Payment Terms, time being of the essence
 - (b) we shall raise a single invoice for the agreed fee relevant to the Fixed Period
 - (c) if there is an extension of the Fixed Period, namely a further period ("Extension") of the Engagement, we shall be entitled to charge a further Fee being, at our sole discretion, either
 - (i) calculated on the same basis as the fee for the Fixed Period, for the period of the Extension
 - (ii) as a margin charge under Fees 2 for the period of the Extension and any subsequent Extensions
 - (iii) a fee calculated under Fees 1 as if the Temp Placement were a Perm Placement at the time the Extension commences
 - (d) clause 4.3(c) shall apply to each Extension in all cases save where we have charged a Fee under Fees 1
 - (e) you shall not be entitled to any refund or credit in the event that the Engagement ceases before the end of the agreed fixed period, whether the Fixed Period or an Extension.

CLIENT SERVICES AGREEMENT

- 4.4 No Fee shall be chargeable for an Offer if, prior to the Candidate starting work, you withdraw the Offer on the grounds that you have since come into possession of information with supporting evidence provided to us that the Candidate is wholly unsuitable for the position offered by you.
- 4.5 Fees for any Additional Service will be agreed with you and are payable on delivery of the service or at such other time as may be agreed in writing.
- 4.6 An Engagement during Fee Period (b) is deemed to be as a result of the relevant Introduction unless you have complied with clause 2.4; accordingly, and for the avoidance of doubt, there is no implied term that an Introduction must be the effective cause of an Engagement during Fee Period (b). Without prejudice to the foregoing, if you have complied with clause 2.4, the evidence is that our Introduction was not the effective cause of the Engagement and you have not taken any step to affirm our effort or involvement in respect of the Candidate, we shall release our Fee.

- (a) where we have Introduced a Candidate your decision to Engage the Candidate based on or resulting from the use of Social Media or another source shall not disentitle us to our Fee

- (ii) howsoever you Engage the Candidate regardless of the job description for which the Candidate may be Engaged, whether the position sought to be filled by you has changed, or the role or tasks to be performed or undertaken by the Candidate are different from those provided to us in respect of the Requirement.
- (c) An Introduction entitling us to our Fee in the event of your Engagement shall be deemed to exist notwithstanding that you, or a person at your request, may have initially introduced the Candidate to us for the provision of all or part of our Services to you.
- 4.8 We may issue an invoice to you
- (a) for the relevant Fee under each Engagement upon, or as soon as is appropriate after the commencement of the Engagement, at any time after an Offer, or, as the case may be, at the Invoicing Intervals or at any times or intervals specified in these Terms or otherwise agreed
- (b) for an Additional Service at the time agreed for the service, or in the absence of agreement, upon delivery of the service.
- 4.9 Whilst it is our normal practice to raise invoices for Temp Placements or Temp Supply at the Invoicing Intervals, times shall not be of the essence, our agreement to invoice shall not be subject to an implied condition that delay amounts to a waiver of any kind, and, for the avoidance of doubt, there shall be no limit save any statutory limit on the time by which we are obliged to raise a valid enforceable invoice.
- 4.10 All Fees are subject to value added tax which shall be charged in addition and, for the purpose of calculating our Fee, Remuneration in foreign currency will be calculated at the Bank of England Sterling exchange rate applicable on the date of our invoice, or in the case of a debt otherwise due and we elect so to choose, the rate applicable on the date of actual payment.
- 4.11 In the case of an Engagement where we are not informed in advance (i.e. there is no Assignment), unless otherwise stated in the CSA Terms, Fees are payable within 14 days of commencement of the Engagement, the sum due in respect of the Fee being a debt due to us whether or not we have submitted an invoice.
- 4.12 Without prejudice to Section 6 (fees and records for temp supply), any dispute in respect of an invoice raised by us must be raised promptly and in any event by no later than the time for payment specified in the Payment Terms, time being of the essence, and in the absence of any dispute being raised the invoice shall be deemed to be accepted.

Section 6 – fees and records for Temp Supply

- 6.0 For the period of supply our Fee will be calculated in accordance with Fees 3 of the Fee Scales, time spent being in accordance with records of time worked and/or services provided by the Candidate and material costs, if any. Whether or not a rate is agreed, we shall be entitled to increase our Fee to account for additional costs of supply incurred as a result of
- (a) compliance with applicable legislation (whether specific to a particular Candidate, or applicable to our business or part of it) including relating, but not limited to, the National Minimum Wage, the AWR, working time, National Insurance contributions, the Apprenticeship levy (under Part 6 of the Finance Act 2016), tax requirements relating to the supply of Candidates including those under Chapter 10 of ITEPA, auto enrolment and statutory pension contributions
 - (b) imposition of, or changes to existing, sectoral guidance or conditions with which suppliers to that sector are generally expected to comply.
- 6.1 Nothing in clause 6.0 shall disentitle you from terminating a Temp Supply in the event of an increase of our Fee, but not so that you may avoid payment of an increase for which you are already liable.
- 6.2 You agree at the end of the Validation Period to verify and confirm a correct record of hours worked by the Candidate, or, in the case of project work services chargeable upon deliverables, verify the objectives achieved. We may specify use of a system or suitable forms and/or methodology for verification ("System"), and in that event you agree to use the System for this purpose. You agree that your verification in accordance with this provision is conclusive evidence of the acceptance of time spent and/or works undertaken by the Candidate for the relevant period.
- 6.3 You agree to keep the records referred to under clause 6.2 until all matters under the Temp Supply are concluded, not being less than 12 months after the end of the Temp Supply.
- 6.4 Without prejudice to clause 6.2, in the event of any query or dispute relating to the hours worked or services delivered which we believe are chargeable, both Parties shall co-operate in good faith with a view to resolving the issue promptly, and each Party shall promptly provide to the other the evidence to support its position.
- 6.5 Where you comply with clause 6.4 and you have first paid to us the amount due for the relevant undisputed time or other element, we agree that you may withhold a disputed amount for a period of 21 days or such longer period as we may agree, to enable the dispute to be resolved without prejudice to our entitlement to interest for late payment or our entitlement to issue an invoice and/or commence proceedings for recovery of our Fee.
- 6.6 For the avoidance of doubt
- (a) your failure to verify or sign a record in accordance with clause 6.2 shall amount to a breach of contract and you shall not be entitled to refuse payment to us based on such failure
 - (b) you are not entitled to withhold payment due to any matter relating to the quality of work by the Candidate
 - (c) notwithstanding any dispute, we are entitled to raise an invoice for our Fee.
 - (d) we are entitled to rely on any information or verification you provide to us, whether such information is provided as a result of an automated system or otherwise, and you agree to indemnify us and keep us indemnified against any Loss we may sustain if the information provided is incorrect.

Section 7 – capacity and fees for Temp Supply requirements

- 7.0 Where a Requirement is for an Introduction of a Candidate who may be supplied by us on a Temp Supply
- (a) because you acknowledge that you may at any time employ the Candidate, the Requirement shall be and shall be treated by both Parties as, a requirement for a Perm Placement in respect of which our capacity is as an Introducer until such time as you agree all the terms of the Temp Supply in relation to the Candidate at which time our capacity shall be as Supplier until the end of the Temp Supply
 - (b) the fact of termination of a Temp Supply shall constitute a Requirement by you for a further Introduction of the Candidate concerned in our capacity as an Introducer (although there is no obligation upon you to employ or engage the Candidate) and for the avoidance of doubt our capacity as a Supplier shall cease on such termination
 - (c) in relation to applicable terms for Fees
 - (i) Section 6 applies to Fees for the Temp Supply
 - (ii) this Section 7 and Section 8 apply in place of other relevant fees related terms.
- 7.1 If there is an Engagement before, during or after a Temp Supply (notwithstanding clauses 8.0 and 8.1) we are entitled to charge whichever is the greater of
- (a) a Fee as an Introducer under the provisions in Section 4, or
 - (b) a Transfer Fee which may be due under Section 8 (in our capacity as a Supplier).
- 7.2 For the avoidance of doubt inclusion of this Section 7 within Sections relating to Temp Supply as laid out herein is for convenience only and does not imply that our capacity is otherwise than as described in this Section 7.

Section 8 – fees on transfer and additional arrangements

- 8.0 This Section 8 applies only where we have Introduced a Candidate to you for the purposes of supply. Clauses 8.4 to 8.8 do not apply where there is an Opt Out Notice in respect of the Candidate.
- 8.1 Where a Candidate we have Introduced to you is Engaged, and the Engagement is not a Temp Supply, you shall pay us a Transfer Fee.
- 8.2 The Transfer Fee shall be calculated
- (a) under Fees 4 where the Engagement is during or after a Temp Supply and within the Transfer Period
 - (b) under Fees 1 where there has been no Temp Supply and the Engagement is within the Fee Period.
- 8.3 The Transfer Period is either
- (a) where there is an Opt Out Notice in respect of the Candidate, the Fee Period, or
 - (b) where there is no Opt Out Notice, that period within the later of 14 weeks from the first day of supply by us of the Candidate to you (disregarding any supply that ended more than 42 days prior to any new supply), or 8 weeks after the last day of supply.
- 8.4 Without prejudice to the provisions of Section 7, no Transfer Fee shall be due if all of the following conditions are complied with:
- (a) you give us written notice, stated to be a notice of election under these Terms, that you elect to take the Candidate under a Temp Supply for 12 months or such other period as we may agree ('Supply Period'); for the avoidance of doubt in the absence of the required notice neither an Assignment nor an extension of an existing Assignment shall qualify
 - (b) except for a Temp Supply, the Candidate has not already been Engaged at the time the notice in clause 8.4(a) is given to us
 - (c) you agree the notice is your unconditional agreement to Engage the Candidate as elected on the terms set out in clause 8.5 ('Optional Supply')
 - (d) the Optional Supply continues for the Supply Period without any breaks save for statutory breaks or other breaks similar to those allowed under any immediately preceding Temp Supply of the Candidate except where we are at fault in failing to supply the Candidate
 - (e) you comply with the terms of the Optional Supply in all respects and there is no material breach of these Terms of Business by you.
- 8.5 Subject to clause 8.6, the terms of the Optional Supply are
- (a) the same terms as those that applied to the last preceding Temp Supply of the Candidate where applicable, or
 - (b) where there has been no preceding Temp Supply of the Candidate, and at your request we are only acting as Supplier not as Introducer at the time of the notice under clause 8.4(a), all the terms herein that apply to a Temp Supply, the Fee being under Fees 3 and the Charge being 15% of Total Cost.
- 8.6 The terms of the Optional Supply may be amended by written agreement and in any event we shall be entitled to increase our Fee where we are required, either by the Candidate or by statutory requirements, to increase our payment to or relating to the Candidate. The increase in Total Cost to reflect such sum as is required, but we shall not be entitled to increase the amount of the Charge element of the Total Cost.
- 8.7 Where an Optional Supply follows a Temp Supply
- (a) your agreement to any alternative terms or increases in Fee is your unequivocal acceptance that the different terms do not represent terms that are less favourable to you than under the last preceding Temp Supply of the Candidate
 - (b) if, despite your agreement in clause 8.7(a), you later maintain that the terms are less favourable to you, the period of supply, which would otherwise have been regarded as an Optional Supply, shall be regarded as a period of new supply and shall be a new Temp Supply to which all the provisions in these Terms of Business, including this Section 8, apply.
- 8.8 For the avoidance of doubt
- (a) we shall not be at fault in failing to supply the Candidate under an Optional Supply if the Candidate does not provide services because the Candidate is not ready, willing or able to do so, or if the services are not provided or the Optional Supply is terminated due to a material breach of these Terms by you
 - (b) if an Optional Supply is ended prematurely for any reason other than our own fault you shall not be entitled to any discount against the Transfer Fee should you then Engage the Candidate other than under an Assignment for which we are due a Fee, and we may at our discretion either issue an invoice for the Transfer Fee or for the balance of Fees due to us as if the Optional Supply had continued for the agreed term
 - (c) no Fee for an Introduction or Transfer Fee is due where there has been an Optional Supply which fully complies with the conditions of this Section 8.
