## **G-Cloud 14 Pricing Document**

## Pricing

The rates for roles for this item are shown in the rate card below.

Role	Strategy IT G-Cloud Rate - ex VAT
Follow	£450 - £550
Assist	£550 - £650
Apply	£650 - £900
Enable	£750 - £1000
Ensure or advise	£850 - £1250
Initiate or influence	£950 - £1400
Set strategy or inspire	£1100 - £1500

The price (ex. VAT) is per person per day for this service. The number of roles and length of time needed for each service will vary depending on the scope of the project.

All Strategy IT pricing is based on the rate card in the table above.

Strategy IT may offer volume discounts for larger teams, longer-term projects or where multiple services are bought by the same client, but these will be discussed on a case-by-case basis.

Our pricing is based on a day rate unit, but we are also willing to offer fixed price services based on these rates.

## Expenses

Any specific travel or accommodation expenses required to provide this service are not included in the costs outlined above. This could include:

- Hotel expenses
- Petrol expenses
- Train ticket expenses
- Taxi expenses
- Evening meals

---

## About Strategy IT

Strategy IT Limited is a UK based consulting company with a different perspective on how to deliver technology enabled change. We believe that people deliver change and that technology enables and supports this change. We add value and support our clients across the full spectrum of consulting, from strategy through delivery. We listen to your big ideas and with our knowledge, experience and capability we help make them a reality.
