

Terms and Conditions Document

G-Cloud 14, Framework Reference: RM1557.14

GCloud14-002-01, Issue 1.0, Final

1 Introduction

This document provides details of Apache iX Limited's terms and conditions for Lot 3 Cloud Support consultancy services through the G-Cloud 13 framework.

2 Terms and Conditions

Apache do not impose any additional standard terms and conditions beyond the standard G-Cloud 14 framework terms and conditions.

Where appropriate, task specific terms and conditions can be agreed with clients as part of any call-off contract.
