

Managed Detection, Intelligence & Response

Powered by: **RAPID7**

Managed Detection, Intelligence & Response combines the tools and resources to detect and analyse threats around the clock, with deep skills for rapid and comprehensive response when needed.

We supercharge your threat detection and response capability at a fraction of the cost of building – and retaining – your own Security Operations Centre.

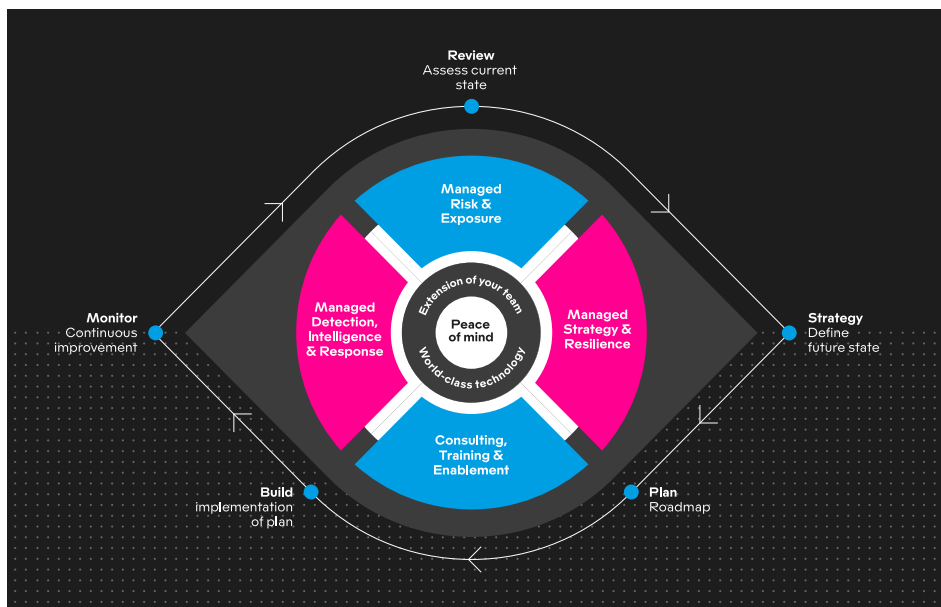

- 
 Early detection of evolving threats
- 
 Increased situational awareness
- 
 The right skills when you need them
- 
 24/7/365 coverage
- 
 Quicker incidence response times
- 
 Cost savings through economies of scale
