Package Overview

Our standard blended daily rate is £995 /day (ex. VAT) with volume-based discounts available depending on the number of days purchased. Our Timeblock packages provide the most flexible and cost-effective method of engaging with us for these development projects.

Clients can purchase a block of flexible days from us which can be used across our entire service portfolio, across all levels of seniority in our teams, accessing our wide range of professional services for ongoing transformative digital change. Whilst Timeblocks are valid for 12 months from the date of purchase, their lifetime can be extended indefinitely through an additional purchase (of greater or equivalent time) prior to the Timeblock expiry, providing ultimate flexibility.

TIMEBLOCK PACKAGES (VALID FOR 12 MONTHS)	UNIT	QTY	RATE	DISCOUNT (%)	TOTAL (Ex. VAT)	TOTAL (Inc. VAT)
