

Nintex Automation Cloud

CONSUMPTION-BASED LICENSE

Nintex Automation Cloud is most often purchased as a licence that has unlimited users and unlimited workflows and forms. The measurement for the cost is the number of instances – a single instance represents one completed run of an individual workflow.

CONSUMPTION-BASED	PRO	PREMIUM
	Best for getting started / a single solution	Best for Departments with multiple workflow needs or companies less than 500 employees
Annual Base Fee	£21,175	£42,350
Users	Unlimited	Unlimited
Workflows	Unlimited	Unlimited
Forms	Unlimited	Unlimited
Included Capacity	10,000 instances* 2,000 DocGens**	50,000 instances* 10,000 DocGens**
Support level	Standard	Enterprise
Nintex University Access	Included	Included
Overage Charge	£0.80 per workflow instance £0.43 per docgen execution	£0.60 per workflow instance £0.43 per docgen execution

All packages include Nintex Workflow, Nintex Forms & Mobile, Connectors & Xtensions, Nintex Analytics, PDF Form Converter and one instance of Nintex Gateway.

*An instance represents one completed run of an individual workflow. Included capacity is inclusive of all production and non-production tenants associated with a customer's contract.

**DocGen means the execution of a Document Generation action within a Workflow.

Nintex Automation Cloud

USER-BASED LICENSE

For some organisations it may be preferable to procure Nintex Automation Cloud as an company-wide purchase based on the number of employees. In such an example the below price guide should be used.

USER-BASED	ENTERPRISE			
Company Size by employee count	Company Annual Price	Max Annual Workflow Instances*	Maximum Annual DocGens**	Discount on base overage charge
250	£34,000	38,000	5,000	0%
500	£66,000	75,000	20,000	5%
1,000	£85,000	150,000	40,000	10%
2,500	£195,000	375,000	100,000	15%
5,000	£355,000	1,000,000	200,000	20%
7,500	£488,000	1,500,000	300,000	30%
10,000	£590,000	2,550,000	400,000	35%
20,000	£891,000	5,100,000	800,000	40%
>20,000	-	+£280 per employee	+ £44 per employee	50%
Base Overage Charge	-	£0.10	£0.43	-

All packages include Nintex Workflow, Nintex Forms & Mobile, Connectors & Xtensions, Nintex Analytics, PDF Form Converter and one instance of Nintex Gateway.

*An instance represents one completed run of an individual workflow. Included capacity is inclusive of all production and non-production tenants associated with a customer's contract.

**DocGen means the execution of a Document Generation action within a Workflow.

Nintex Process Manager
