# Azure Cloud Support

## PRICING

The Atech Cloud Support service is a variable fee based on the number of days spent providing the service.

Following a scoping call, a quote will be produced for the estimated number of days needed.

| Description | Cost per Day |
| --- | --- |
| Technical Project Manager | £1,095 |
| Cloud Engineer | £1,095 |
| Cloud Consultant | £1,195 |
| Cloud Architect | £1,495 |

This includes:

- Certified Microsoft Azure Architects
- Creating an Azure strategy
- Clear explanation of the services available and how they benefit your business
- Board level planning and business justification presentation
- Analysis of cost savings
