

SERVICES PRICING SCHEDULE

Supply of Service Under G-Cloud
13
Framework Agreement

SUPPLY OF SERVICE RATE CARD

The following table lists the consultant types, competencies, and associated day rates.

Rank	Competencies	Day Rate
Cloud Consultant	Experience consultant with demonstrable experience in delivering cloud solutions to a high standard.	£850
Senior Cloud Consultant	Senior consultant with 3 years or more demonstrable experience in delivering cloud solutions to a high standard.	£925
Cloud Solution Architect	Very experienced solution architect with 5 years or more experience in leading business solution, change management and modern workplace projects to success.	£995
Evangelist	An industry thought leader, technology, and business change evangelist with rich and varied experience of delivering technology and change programmes in high profile organisations.	£1,250

Please note day rates:

- Are provided on a time-and-materials basis.
- Are exclusive of any Value Added Tax.
- Consist of 8 hours inclusive of travel and lunch.
- Include Professional Indemnity Insurance.
- Exclude travel and subsistence costs where work is delivered on site (see section 'Travel and Subsistence' for details).
- Exclude mileage allowance (see section 'Travel and Subsistence' for details);
- Are valid for the period of the G-Cloud 13 framework agreement.

DISCOUNTS

HappyWired will be pleased to provide discounts on these rates on a committed volume of work across an agreed term.

RETIAL PRICE INDEX

HappyWired reserves the right to review our Supply of Service Rate Card annually (31st March) in line with the Retail Price Index (RPI).

PAYMENT TERMS

Except where payment terms are specified in the Service Definition Document, payment terms for work undertaken under this supply of service will be as defined in the Terms and Conditions document.

TRAVEL AND SUBSISTANCE

The following reasonable expenses may be incurred as part of project delivery, with prior written consent from the Client.

Client is responsible for notifying HappyWired of any expense limits that may apply ahead of work commencing.

Expenses will be charged at cost. Receipts or proof of expense can be provided on Client request.

Expenses could include, but are not limited to:

- **Hotels and Accommodation** – will be charged where necessary.
- **Mileage** – will be charged at a standard 0.45p per mile from the normal workplace of HappyWired consultant.
- **Trains** – will be charged at cost from the home of HappyWired consultant to client location
- **Taxis** – will be used where necessary and appropriate public transport is not viable
- **Flights** – will be economy for all flights under three (3) hours, premium economy for all flights between three and five (3–5) hours and Business Class for all flights over five (5) hours.
- **Hire Car** – may be used where public transport and/or taxis are not viable.
- **Subsistence** – will be charged at a daily rate of £7.00 (more than 8-hour day), £20 (more than 12-hour day) or £25 (more than 24-hour day where breakfast is provided with accommodation) when working on client site.
