About Inciper

Inciper is a consultancy that delivers Business Solutions in the Cloud. Inciper offers a full breadth of services, from business change management through to deep technical and product knowledge, and across the project lifecycle, from inception through to managed services. Inciper ensures clients have access to the skills and experience required for successful solution adoption, through cost effective delivery and resourcing models.

This experience is evident in Inciper's approach to project delivery, which has a particular focus on ensuring Business Solutions are designed and implemented to work cohesively with the existing operating models and within the desired system landscape. Inciper has a particular focus on Business Solutions delivered on the Microsoft Dynamics 365 and Power Platform.
