Datavault

SFIA Pricing for G-Cloud 14

G-CLOUD 14 PRICING

1. RATE CARD

Datavault cloud-based services are priced according to the 'Skills for the Information Age (SFIA)' Definitions and Rate Card, as shown below.

This document gives day rates for Datavault consultants of different levels of experience. Further details can be provided if required. We would normally expect to agree what level is required for a given service, which will enable us to determine what rate(s) are appropriate.

Service provision is typically defined before work commences using a Statement of Work mutually agreed by both parties.

	1.Follow	2.Assist	3. Apply	4.Enable	5.Ensure/ Advise	6.Initiiate/ Influence	7.Set Strategy/ Inspire
Strategy & Architecture	X	£695	£995	£1,120	£1,350	£1,550	£2,200
Business Change	X	£695	£995	£1,120	£1,350	£1,550	£1,900
Solution Development & Implementation	£495	£695	£865	£995	£1,120	£1,350	£1,450
Delivery & Operations	X	£695	£865	£995	£1,120	£1,350	£1,450
People & Skills	X	£695	£865	£995	£1,120	£1,350	£1,450
Relationships & engagement	X	£695	£865	£995	£1,120	£1,350	£1,900

2. PRICING ASSUMPTIONS

Pricing is based on the applicable SFIA (Skills For the Information Age) rate card (available as a separate document within the catalogue).

Pricing assumptions are:

♦ Consultant's Working Day – 7.5 hours per day.

♦ Working Week – Monday to Friday excluding national holidays.

♦ Office Hours – 09:00 – 17:30 Monday to Friday.

♦ Travel and Subsistence – Included in day rate within M25. Payable at department's standard travel and subsistence rates outside M25.

♦ Travel and Subsistence for World-Class resource, when working onsite, Business Class Return Flight, Hotel and subsistence.

♦ Mileage – As above.

♦ Professional Indemnity Insurance – included in day rate.

♦ VAT is not included.

♦ We reserve the right to amend the price of Training if the GBP/USD exchange rates change materially.
