

Item name	Quantity	Price	
Sensor hardware (and core project management)	For 1 sensor	£4,095.00	
Sensor hardware (and core project management)	For 2 sensors	£7,644.00	
Sensor hardware (and core project management)	For 5 sensors	£16,380.00	
Sensor hardware (and core project management)	For 10 sensors	£27,300.00	
Sensor hardware (and core project management)	For 15 sensors	£38,902.50	
Sensor hardware (and core project management)	For 25 sensors	£61,425.00	
Installation - Supervisor only	For 1 sensor	£472.50	
Installation - Supervisor only	For 2 sensors	£882.00	
Installation - Supervisor only	For 5 sensors	£1,890.00	
Installation - Supervisor only	For 10 sensors	£3,150.00	
Installation - Supervisor only	For 15 sensors	£4,488.75	
Installation - Supervisor only	For 25 sensors	£7,087.50	
Installation - With Traffic Management	For 1 sensor	£945.00	
Installation - With Traffic Management	For 2 sensors	£1,764.00	
Installation - With Traffic Management	For 5 sensors	£3,780.00	
Installation - With Traffic Management	For 10 sensors	£6,300.00	
Installation - With Traffic Management	For 15 sensors	£8,977.50	
Installation - With Traffic Management	For 25 sensors	£14,175.00	
Installation - No Traffic Management/customer providing TM	For 1 sensor	£630.00	
Installation - No Traffic Management/customer providing TM	For 2 sensors	£1,176.00	
Installation - No Traffic Management/customer providing TM	For 5 sensors	£2,520.00	
Installation - No Traffic Management/customer providing TM	For 10 sensors	£4,200.00	
Installation - No Traffic Management/customer providing TM	For 15 sensors	£5,985.00	
Installation - No Traffic Management/customer providing TM	For 25 sensors	£9,450.00	
E-Scooter Upgrade	For 1 sensor	£157.50	
E-Scooter Upgrade	For 2 sensors	£294.00	
E-Scooter Upgrade	For 5 sensors	£630.00	
E-Scooter Upgrade	For 10 sensors	£1,050.00	
E-Scooter Upgrade	For 15 sensors	£1,496.25	
E-Scooter Upgrade	For 25 sensors	£2,362.50	
Sensor monitoring/maintenance (12 months)	For 1 sensor	£315.00	
Sensor monitoring/maintenance (12 months)	For 2 sensors	£588.00	
Sensor monitoring/maintenance (12 months)	For 5 sensors	£1,260.00	
Sensor monitoring/maintenance (12 months)	For 10 sensors	£2,100.00	
Sensor monitoring/maintenance (12 months)	For 15 sensors	£2,992.50	
Sensor monitoring/maintenance (12 months)	For 25 sensors	£4,725.00	
Data for transport planning (12 months)	For 1 sensor	£472.50	
Data for transport planning (12 months)	For 2 sensors	£882.00	
Data for transport planning (12 months)	For 5 sensors	£1,890.00	
Data for transport planning (12 months)	For 10 sensors	£3,150.00	
Data for transport planning (12 months)	For 15 sensors	£4,488.75	
Data for transport planning (12 months)	For 25 sensors	£7,087.50	
Core data feeds (12 months)	For 1 sensor	£63.00	
Core data feeds (12 months)	For 2 sensors	£117.60	
Core data feeds (12 months)	For 5 sensors	£252.00	
Core data feeds (12 months)	For 10 sensors	£420.00	
Core data feeds (12 months)	For 15 sensors	£598.50	
Core data feeds (12 months)	For 25 sensors	£945.00	
ANPR/journey time upgrade (12 months)	For 1 sensor	£787.50	
ANPR/journey time upgrade (12 months)	For 2 sensors	£1,470.00	
ANPR/journey time upgrade (12 months)	For 5 sensors	£3,150.00	
ANPR/journey time upgrade (12 months)	For 10 sensors	£5,250.00	
ANPR/journey time upgrade (12 months)	For 15 sensors	£7,481.25	
ANPR/journey time upgrade (12 months)	For 25 sensors	£11,812.50	
Classified journey times upgrade (12 months)	For 1 sensor	£157.50	
Classified journey times upgrade (12 months)	For 2 sensors	£294.00	
Classified journey times upgrade (12 months)	For 5 sensors	£630.00	
Classified journey times upgrade (12 months)	For 10 sensors	£1,050.00	
Classified journey times upgrade (12 months)	For 15 sensors	£1,496.25	
Classified journey times upgrade (12 months)	For 25 sensors	£2,362.50	
Traffic Signal Install Kit	For 1 sensor	£262.50	
Traffic Signal Install Kit	For 2 sensors	£525.00	
Traffic Signal Install Kit	For 5 sensors	£1,312.50	
Traffic Signal Install Kit	For 10 sensors	£2,625.00	
Traffic Signal Install Kit	For 15 sensors	£3,937.50	
Traffic Signal Install Kit	For 25 sensors	£6,562.50	
47x sensor hardware (and core project management). Installation (no Traffic Management—Buyer providing TM). 48-month contract.		£227,934.00	Non-discounted pricing
