

Terms and Conditions

G-Cloud 14

1 Terms and Conditions

The supply and procurement of services via G-Cloud 14 is governed by three types of terms and conditions:

- G-Cloud / Crown Commercial Service (CCS) Framework Agreement between CCS and Moore Insight.
- Call-off contract between the Buyer (you) and Supplier (Moore Insight).
- Vendors' Terms and Conditions (if applicable).

The Framework Agreement terms and conditions control the relationship between the supplier and the framework authority, in this case the Crown Commercial Service (CCS). These terms cannot be changed.

The G-Cloud 14 Call-off Contract terms and conditions control the relationship between a public sector Buyer and a G-Cloud 14 Supplier. These contract terms can sometimes be changed to meet the needs of the buyer if the supplier agrees.

Vendors' T&C's will only apply where a 3rd-party, for example a software vendor, provides services or software as part of our overarching service or software offer.

After careful review of the G-Cloud 14 terms and conditions, we are satisfied that the terms cover all our requirements and we do not have any additional.
