### **Our Method**

Our specialist Advisory Chief Strategy and Architecture experts and Managing Director will meet with Buyers to understand scope of work and goals of the organisation. We will provide high level expert guidance approach(es) to defining, implementing a comprehensive Strategy and Architecture roadmap for the organisation.

We appreciate that our expertise in this field might be a buyer's starting point on this journey, like with many other companies that we have supported. We ensure that our exec level Strategy and Architecture experts are available for a scoping meeting. A full report and recommendations on how the service will be delivered and expected timelines for delivery.

This can be followed with presentations and guidance on engaging others key internal stakeholders and internal audiences on the benefits and outcomes of the Service to be provided. We support you at every step of the journey in delivering this service.

### **Pricing**

We will follow the discounted fees for Government set in our SFIA Rate Card attached. Ensuring we are always delivering on Governments goal of value for money, we offer discounting which can also be seen in our SFIA Rate Card. Projects can be on a fixed price, Statement of Work (SoW) or Time and Materials basis.

Please feel free to make contact us more information on this service.
