## The Dataactics Platform

## Annual Platform Licence Fees

Platform licence fees are derived from the following factors:

- **Primary** - Number and size of production and non-production instances of the platform required to service the client use case(s).
- **Secondary** - Number of rules studio user licences required.

Typical prices based on these primary and secondary factors:

Platform Version Name	Users/Servers	Platform Licence Fee
<b>‘Small’</b>	2 CPU Cores 1 Production Server 1 Rules Studio User	<b>£ 50,000.00</b>
<b>‘Medium’</b>	2 CPU Cores 1 Production Server 1 Non-Production Server 3 Rules Studio Users	<b>£ 75,000.00</b>
<b>‘Large’</b>	4 CPU Cores 1 Production Server 2 Non-Production Server 5 Rules Studio Users	<b>£ 100,000.00</b>
<b>‘XL’</b>	8 CPU Cores 1 Production Server 2 Non-Production Server 10 Rules Studio Users	<b>£ 150,000.00</b>
<b>‘Enterprise’</b>	Based on 8 XL Licences	<b>£750,000.00</b>

## Support

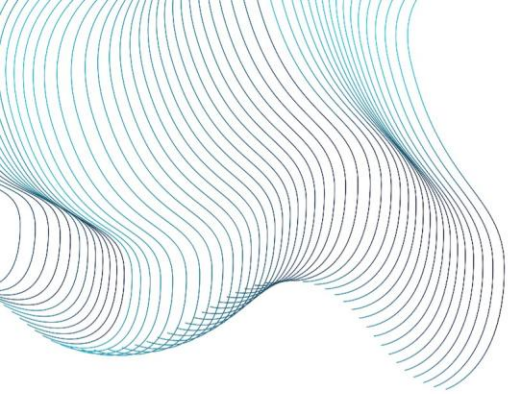

Helpdesk support is included in the annual software subscription fee. Dataactics provides a standard support service for the software platform components. Support is managed via a dedicated remote Helpdesk operated from our company headquarters in Belfast, Northern Ireland, manned during standard UK business hours. Service Level Agreements i.e. issue response & resolution times, can be agreed with client at contract stage with response & resolution times based on the criticality level of the issue.

## Maintenance

Updates, Patches & Security updates are provided during the contracted license term.

## Shorter-Term Rentals

Shorter-Term rentals of the software can be made available upon request.

Information contained in this document is, unless otherwise stated in this document, commercial in confidence and is not for onward sharing without the express permission of Datactics Limited.
