

Parico Limited: Pricing Framework

Time and Materials

A standard commercial agreement which will be based on our G-Cloud 14 SFIA Rate Card for our services listed. This agreement will be invoiced on a monthly basis for work completed in the period.

Fixed Price

We will agree with the organisation, a fixed price for the services based on a clear estimate of the activities and work to be carried out. Each work package will include a detailed breakdown of delivery and payment milestones.

Outcome Based Pricing

The services are procured based on the desired deliverable(s) within the contracting organisation's Call Off Contract and, or, Statement of Work.
