

Skills For The Information Age (SFIA) Rate Card: 6B Pricing Doc

Company Overview

6B is a technical and engineering agency specialising in the design, engineering, implementation, and support of digital software, applications, and integrations on the cloud.

With both public and private sector experience, we think that gives us a unique insight.

We're tech-stack agnostic. We want to deliver cloud solutions that just work.

We are passionate about solving technology challenges for public sector clients and delivering positive outcomes through the clever use of technology.
